FUNDAMENTAL PROVISIONS

§ 3601.1 Purpose.

The regulations in this part establish procedures for the exploration, development, and disposal of mineral material resources on the public lands, and for the protection of the resources and the environment. The regulations apply to permits for free use and contracts for sale of mineral materials.

§ 3601.3 Authority.

(a) BLM's authority to dispose of sand, gravel, and other mineral and vegetative materials that are not subject to mineral leasing or location under the mining laws is the Act of July 31, 1947, as amended (30 U.S.C. 601 *et seq.*), commonly referred to as the Materials Act. This authority applies to sale and free use of these materials. BLM's authority to allow removal of limited quantities of petrified wood from public lands without charge is section 2 of the Act of September 28, 1962 (Pub. L. 87-713, 76 Stat. 652).

(b) Section 302 of the Federal Land Policy and Management Act of 1976 (FLPMA) (43 U.S.C. 1732) provides the general authority for BLM to manage the use, occupancy, and development of the public lands under the principles of multiple use and sustained yield in accordance with the land use plans that BLM develops under FLPMA.

(c) Section 304 of FLPMA (43 U.S.C. 1734) and the Independent Offices Appropriation Act of 1952 (31 U.S.C. 9701) authorize the U.S. Government to collect fees and to require reimbursement of its costs.

§ 3601.5 Definitions.

Mineral materials means, but is not limited to, petrified wood and common varieties of sand, stone, gravel, pumice, pumicite, cinders, and clay.

Performance bond means a bond to ensure compliance with the terms of the contract and reclamation of the site as BLM requires.

(b) To sell mineral material resources at not less than fair market value;

(c) To permit Federal, State, Territorial, and local government entities and non-profit organizations free use of these materials for qualified purposes;

§ 3601.8 Public availability of information.

(a) All data and information concerning Federal and Indian minerals that you submit under this part are subject to part 2 of this title. Part 2 of this title includes the regulations of the Department of the Interior covering the public disclosure of data and information contained in Department of the Interior records. BLM may make available for inspection certain mineral information not protected from disclosure under part 2 of this title without a Freedom of Information Act (FOIA) (5 U.S.C. 552) request.

(b) When you submit data and information under this part that you believe to be exempt from public disclosure, and that you wish BLM to withhold from such disclosure, you must clearly mark each page that you believe includes confidential information. § 3601.10 Limitations on BLM's discretion to dispose of mineral materials.

§ 3601.11 When will environmental considerations prevent BLM from disposing of mineral materials?

BLM will not dispose of mineral materials if we determine that the aggregate damage to public lands and resources would exceed the public benefits that BLM expects from the proposed disposition.
