

the application of other authority to impose civil or criminal sanctions, including 42 U.S.C. 5156.

**§208.8 Code of conduct.**

The Director will develop and implement a code of conduct for System Members acting under DHS's direction and control. Nothing in this section or the DHS code of conduct will limit the authority of a Sponsoring Agency, Participating Agency or Cooperating Agency to apply its own code of conduct to its System Members or employees. If the DHS code is more restrictive, it controls.

**§208.9 Agreements between Sponsoring Agencies and Participating Agencies.**

Every agreement between a Sponsoring Agency and a Participating Agency regarding the System must include a provision making this part applicable to the Participating Agency and its employees who engage in System activities.

**§208.10 Other regulations.**

The following provisions of title 44 CFR, Chapter I also apply to the program in this part:

(a) Section 206.9, which deals with the non-liability of DHS in certain circumstances.

(b) Section 206.11, which prescribes nondiscrimination in the provision of disaster assistance.

(c) Section 206.14, which deals with criminal and civil penalties.

(d) Section 206.15, which permits recovery of assistance by DHS.

**§208.11 Federal status of System Members.**

The Director will appoint all Activated System Members as temporary excepted Federal volunteers. The Director may appoint a System Member who participates in Alert activities as such a Federal volunteer. The Director may also appoint each System Member who participates in DHS-sanctioned preparedness activities as a temporary excepted Federal volunteer. DHS intends these appointments to secure protection for such volunteers under the Federal Employees Compensation Act and the Federal Tort Claims Act

and do not intend to interfere with any preexisting employment relationship between a System Member and a Sponsoring Agency, Cooperating Agency or Participating Agency. System Members whom DHS appoints as temporary excepted Federal volunteers will not receive any compensation or employee benefit directly from the United States of America for their service, but will be compensated through their Sponsoring Agency.

**§208.12 Maximum Pay Rate Table.**

(a) *Purpose.* This section establishes the process for creating and updating the Maximum Pay Rate Table (Table), and the Table's use to reimburse Affiliated Personnel (Task Force Physicians, Task Force Engineers, and Canine Handlers) and Backfill for Activated System Members employed by or otherwise associated with a for-profit Participating Agency. Section 208.32 defines the "Maximum Pay Rate Table" as "the DHS-issued table that identifies the maximum pay rates for selected System positions that may be used for reimbursement of Affiliated Personnel compensation and Backfill for Activated System Members employed by or otherwise associated with a for-profit Participating Agency." In that same section, the term "Affiliated Personnel" is defined as "individuals not normally employed by a Sponsoring Agency or Participating Agency and individuals normally affiliated with a Sponsoring Agency or Participating Agency as volunteers."

(b) *Scope of this section.* (1) The Maximum Pay Rate Table applies to those individuals who are not normally employed by a Sponsoring Agency or Participating Agency, or whose affiliation with a Sponsoring Agency or Participating Agency is as a volunteer; that is, an individual whom the Sponsoring Agency or Participating Agency does not normally compensate in any way, at any rate.

(2) The Table also applies to Backfill for Activated System Members employed by or otherwise associated with a for-profit Participating Agency.

(c) *Method for determining maximum pay rates.* (1) DHS uses the United States Office of Personnel Management's salary rates, computed under 5

U.S.C. 5504, as the basis for the maximum pay rate schedule. DHS considers System members' experience and sets maximum pay rates at the maximum grade, middle step for each position, which demonstrates an experience level of five years.

(2) The Office of Personnel Management (OPM) publishes salary and locality pay schedules each calendar year.

(i) *Physicians.* DHS uses the latest Special Salary Rate Table Number 0290 for Medical Officers (Clinical) Worldwide for physicians. The rates used in the initial Table can be found at [http://www.opm.gov/oca/03\\_tables/SSR/HTML/0290.asp](http://www.opm.gov/oca/03_tables/SSR/HTML/0290.asp).

(ii) *Engineers and Canine Handlers.* DHS uses the latest General Schedule pay scale for both positions. Both specialties are compared to the General Schedule pay scale to ensure parity with like specialties on a task force (canine handlers are equated with rescue specialists). The rates used in the initial Table can be found at <http://www.opm.gov/oca/03tables/html/gs.asp>.

(iii) *Locality Pay.* To determine adjustments for locality pay DHS uses the latest locality pay areas (including the "Rest of U.S." area) established by OPM. The rates used in the initial Table can be found at <http://www.opm.gov/oca/03tables/locdef.asp>.

(3) *Review and update.* DHS will review and update the Table periodically, at least annually. The comments of Sponsoring and Participating Agencies and their experience with the Table will be considered and evaluated in the course of the reviews.

(4) *Initial rates and subsequent revisions.* DHS will publish the initial maximum pay rate table in the FEDERAL REGISTER as a notice with request for comments. Subsequent revisions will be made to the pay rate table as OPM changes salary rates as described in this section. When subsequent revisions are made to the maximum pay rate table DHS will publish the new maximum pay rate table in the FEDERAL REGISTER. The rates will be effective for the latest year indicated by OPM.<sup>1</sup>

<sup>1</sup>In some years the latest year may not be the current calendar year. For instance,

(d) *Application of the maximum pay rate table*—(1) *Applicability.* The Maximum Pay Rate Table sets forth maximum rates for which DHS will reimburse the Sponsoring Agency for compensation paid to Activated Affiliated Personnel and as Backfill for Activated System Members employed by or otherwise associated with a for-profit Participating Agency.

(2) *Higher rates.* The Sponsoring Agency may choose to pay Affiliated Personnel at a higher rate, but DHS will not reimburse the increment above the maximum rate specified in the Maximum Pay Rate Table. Likewise, the Sponsoring Agency may choose to enter into a Participating Agency agreement with the individual's employer, rather than use the individual as an Affiliated Personnel, in which case the Maximum Pay Rate Table would not apply.

(3) *Compensation for Sponsoring Agency employees serving as Affiliated Personnel.* An employee of a Sponsoring Agency serving on a Task Force in a capacity other than his or her normal job, e.g., a fire department dispatcher affiliated with the Task Force as a canine search specialist, as an Affiliated Personnel, would not necessarily be subject to the Maximum Pay Rate Table for reimbursement for salary and benefits for that individual. However, Sponsoring Agencies may use the rates in the Maximum Pay Rate Table as a guide for establishing compensation levels for such individuals.

(4) *Backfill expenses for Affiliated Personnel under § 208.39(g).* (i) The only way that DHS can reimburse for Backfill costs incurred for Affiliated Personnel is through Participating Agencies. If reimbursement for Backfill expenses is needed for Affiliated Personnel, DHS encourages them to urge their employers or professional association to seek Participating Agency status.

(ii) *Private, for-profit organizations.* Participating Agency status is available to private, for-profit organizations, e.g., HMOs or medical or engineering professional associations,

OPM did not change its pay rates for calendar year 2004, and the 2003 schedules apply.

under the revised definition of “Participating Agency” set forth in this Interim rule. (See Definitions, §208.2, *Participating Agency*, and §208.32, *Maximum Pay Rate Table*). When a for-profit Participating Agency must backfill an Activated System Member’s position we will compensate that Participating Agency up to the maximum rate provided in the Table.

(iii) *Compensation costs.* DHS will reimburse for-profit organizations, for purposes of reimbursement and Backfill, for the System Member’s actual compensation or the actual compensation of the individual who Backfills a position (which includes salary and benefits, as described in §§208.39 and 208.40), but will not reimburse for billable or other rates that might be charged for services rendered to commercial clients or patients.

**§§ 208.13—208.20 [Reserved]**

**Subpart B—Preparedness Cooperative Agreements**

**§208.21 Purpose.**

Subpart B of this part provides guidance on the administration of Preparedness Cooperative Agreements.

**§208.22 Preparedness Cooperative Agreement process.**

(a) *Application.* To obtain DHS funding for an award or amendment of a Preparedness Cooperative Agreement, the Sponsoring Agency must submit an application. Standard form SF-424 “Application for Federal Assistance” generally will be used. However, the application must be in a form that the Assistance Officer specifies.

(b) *Award.* DHS will award a Preparedness Cooperative Agreement to each Sponsoring Agency to provide Federal funding to develop and maintain System resource capabilities and operational readiness. For the purposes of the Preparedness Cooperative Agreement, the Sponsoring Agency will be considered the “recipient.”

(c) *Amendment—(1) Procedure.* Absent special circumstances, DHS will fund and amend Preparedness Cooperative Agreements on an annual basis. Before amendment, the Assistance Officer will issue a call for Cooperative Agreement

amendment applications. The Assistance Officer will specify required application forms and supporting documentation to be submitted with the application.

(2) *Period of performance.* Absent special circumstances, the period of performance for Preparedness Cooperative Agreements will be 1 year from the date of award. The Assistance Officer may allow for an alternate period of performance with the approval of the Director.

(3) *Assistance Officer.* The Assistance Officer is the only individual authorized to award or modify a Preparedness Cooperative Agreement.

(d) *Award amounts.* The Director will determine award amounts on an annual basis. A Task Force is eligible for an annual award only if the Program Manager receives and approves the Task Force’s current-year Daily Cost Estimate.

(e) *DHS priorities.* The Director will establish overall priorities for the use of Preparedness Cooperative Agreement funds taking into consideration the results of readiness evaluations and actual Activations, overall priorities of DHS, and other factors, as appropriate.

(f) *Cost sharing.* The Director may subject Preparedness Cooperative Agreement awards to cost sharing provisions. In the call for Preparedness Cooperative Agreement amendment applications, the Assistance Officer must inform Sponsoring Agencies about any cost sharing obligations.

(g) *Sponsoring Agency priorities.* The Sponsoring Agency should indicate its spending priorities in the application. The Program Manager will review these priorities and will make recommendations to the Assistance Officer for negotiating the final agreement.

(h) *Responsibility to maintain integrity of the equipment cache.* The Sponsoring Agency is responsible to maintain the integrity of the equipment cache, including but not limited to, maintenance of the cache, replacement of equipment or supplies expended in training, activations, or local use of the cache, and timely availability of the cache for Task Force Activations.
