

meeting individual and family needs; family strengths are identified, enhanced, respected, and mobilized to help families solve the problems which compromise their functioning and well-being.

(c) Services promote the healthy development of children and youth, promote permanency for all children and help prepare youth emancipating from the foster care system for self-sufficiency and independent living.

(d) Services may focus on prevention, protection, or other short or long-term interventions to meet the needs of the family and the best interests and need of the individual(s) who may be placed in out-of-home care.

(e) Services are timely, flexible, coordinated, and accessible to families and individuals, principally delivered in the home or the community, and are delivered in a manner that is respectful of and builds on the strengths of the community and cultural groups.

(f) Services are organized as a continuum, designed to achieve measurable outcomes, and are linked to a wide variety of supports and services which can be crucial to meeting families' and children's needs, for example, housing, substance abuse treatment, mental health, health, education, job training, child care, and informal support networks.

(g) Most child and family services are community-based, involve community organizations, parents and residents in their design and delivery, and are accountable to the community and the client's needs.

(h) Services are intensive enough and of sufficient duration to keep children safe and meet family needs. The actual level of intensity and length of time needed to ensure safety and assist the family may vary greatly between preventive (family support) and crisis intervention services (family preservation), based on the changing needs of children and families at various times in their lives. A family or an individual does not need to be in crisis in order to receive services.

§ 1355.31 Elements of the child and family services review system.

Scope. Sections 1355.32 through 1355.37 of this part apply to reviews of child and family services programs administered by States under subparts 1 and 2 of title IV-B of the Act, and reviews of foster care and adoption assistance programs administered by States under title IV-E of the Act.

[65 FR 4076, Jan. 25, 2000]

§ 1355.32 Timetable for the reviews.

(a) *Initial reviews.* Each State must complete an initial full review as described in § 1355.33 of this part during

the four-year period after the final rule becomes effective.

(b) *Reviews following the initial review.*

(1) A State found to be operating in substantial conformity during an initial or subsequent review, as defined in § 1355.34 of this part, must:

(i) Complete a full review every five years; and

(ii) Submit a completed statewide assessment to ACF three years after the on-site review. The statewide assessment will be reviewed jointly by the State and the Administration for Children and Families to determine the State’s continuing substantial conformity with the State plan requirements subject to review. No formal approval of this interim statewide assessment by ACF is required.

(2) A State program found not to be operating in substantial conformity during an initial or subsequent review will:

(i) Be required to develop and implement a program improvement plan, as defined in § 1355.35 of this part; and

(ii) Begin a full review two years after approval of the program improvement plan.

(c) *Reinstatement of reviews based on information that a State is not in substantial conformity.* (1) ACF may require a full or a partial review at any time, based on any information, regardless of the source, that indicates the State may no longer be operating in substantial conformity.

(2) Prior to reinstating a full or partial review, ACF will conduct an inquiry and require the State to submit additional data whenever ACF receives information that the State may not be in substantial conformity.

(3) If the additional information and inquiry indicates to ACF’s satisfaction that the State is operating in substantial conformity, ACF will not proceed with any further review of the issue addressed by the inquiry. This inquiry will not substitute for the full reviews conducted by ACF under § 1355.32(b).

(4) ACF may proceed with a full or partial review if the State does not provide the additional information as requested, or the additional information confirms that the State may not be operating in substantial conformity.
