§ 614.6 Meeting changes.

(a) The time or place of a meeting of the National Science Board that has been publicly announced as provided in § 614.5 may subsequently be changed, but any such change will be publicly announced at the earliest practicable time.

(b) The subject matter of any portion of any meeting of the Board that has been publicly announced as provided in § 614.5 or the determination whether any portion of any meeting so publicly announced will be open or closed may subsequently be changed, but only when:

§ 614.7 Record vote.

(a) For purposes of this part a vote of the National Science Board is a "record vote" if:

(1) It carries by a majority of all those holding office as Board Members at the time of the vote;

(2) No proxies are counted toward the necessary majority; and

(3) The individual vote of each Member present and voting is recorded.

(b) Within one day of any such record vote or any attempted record vote that fails to achieve the necessary majority under paragraph (a)(1) of this section, the Board Office will make publicly available a written record showing the vote of each Member on the question.

(c) Within one day of any record vote under which any portion or portions of a Board meeting are to be closed to the public, the Board Office will make available a full written explanation of the Board's action and a list of all persons expected to attend the meeting, showing their affiliations.

§ 614.8 Application to Board Executive Committee.

All the provisions of this part applicable to the National Science Board shall apply equally to the Executive Committee of the Board whenever the Executive Committee is meeting pursuant to its authority to act on behalf of the Board.
