interpreter on staff, but does require the Agency to be able to provide a qualified interpreter on reasonable notice.

(ii) Notice of the availability of interpreter service shall be included in all announcements notifying the public of Agency activities to which the public is invited or which it is permitted to attend, including but not limited to the Commission's meetings, consultations, hearings, press conferences, and State Advisory Committee conferences and meetings. This notice shall designate the Agency official(s) and the address, telephone and TDD number to call to request interpreter services.

(d) Specific requirements for printed communications. (1) The Agency shall establish a system to provide to individuals with disabilities appropriate reader or taping service for all Agency publications that are available to the public. This provision does not require the Agency to have a reader or taper on staff, but does require the Agency to be able to provide appropriate reader or taping service within a reasonable time and on reasonable notice. The Agency shall effectively notify qualified individuals with disabilities of the availability of reader or taping services.

(2) Notice of the availability of reader or taping service shall be included in all publications that are available to the public. This notice shall designate the Agency official(s) and the address, telephone, and TDD number to call to request interpreter services.

(e) Nothing in this section or § 707.10 requires the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with this section or § 707.10 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Staff Director or his or her designee after considering all Agency resources available for use in the funding and operation of

45 CFR Ch. VII (10–1–05 Edition)

the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this paragraph would result in such an alteration or such burdens, the Agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§ 707.10 Auxiliary aids.

(a) The Agency shall furnish appropriate auxiliary aids where necessary to afford an individual with disabilities an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Agency.

(b) In determining what type of auxiliary aid is necessary, the Agency shall give primary consideration to the requests of the individual with disabilities.

(c) The Agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

§ 707.11 Eliminating discriminatory qualifications and selection criteria.

The Agency shall not make use of any qualification standard, eligibility requirement, or selection criterion that excludes particular classes of individuals with disabilities from an Agency program or activity merely because the persons are disabled, without regard to an individual's actual ability to participate. An irrebuttable presumption of inability to participate based upon a disability shall be permissible only if the condition would, in all instances, prevent an individual from meeting the essential eligibility requirements for participating in, or receiving the benefits of, the particular program or activity.

§ 707.12 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of disability in programs or activities conducted by the Agency.

Commission on Civil Rights

§ 708.1

(b) The Agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established in 29 U.S.C. 791 by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Office of General Counsel.

(d) The Agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The Agency may extend this time period for good cause.

(e) If the Agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The Agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, 42 U.S.C. 4151 through 4157, is not readily accessible to and usable by individuals with disabilities.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the Agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Agency of the letter required by paragraph (g) of this section. The Staff Director may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Staff Director or the Staff Director's designee.

(j) The Agency shall notify the complainant in writing of the results of the appeal within 60 days of the receipt of the request. If the head of the Agency

determines that additional information is needed from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (d), (g), (h), and (j) of this section may be extended for an individual case when the Staff Director determines that there is good cause, based on the particular circumstances of that case, for the extension.

(l) The Agency may delegate its authority for conducting complaint investigations to other Federal agencies; however, the authority for making the final determination may not be delegated to another Agency.
