

**§ 61.134**

(b) No material is to be included in a concurrence other than that indicated in the above-prescribed form, unless specially authorized by the Commission. A concurrence in any tariff so described will be deemed to include all amendments and successive issues which the issuing carrier may make and file. All such amendments and successive issues will be binding between customers and carriers. Between carriers themselves, however, the filing by the issuing carrier of an amendment or successive issue with the Commission must not imply or be construed to imply an agreement to the filing by concurring carriers. Such filings do not affect the contractual rights or remedies of any concurring carrier(s) which have not, by contract or otherwise, specifically consented in advance to such amendment or successive issue.

**§ 61.134 Concurrences for through services.**

A carrier filing rates or regulations for through services between points on its own system and points on another carrier's system (or systems), or between points on another carrier's system (or systems), must list all concurring, connecting or other participating carriers as provided in § 61.54 (f), (g) and (h). A concurring carrier must tender a properly executed instrument of concurrence to the issuing carrier. If rates and regulations of the other carriers engaging in the through service(s) are not specified in the issuing carrier's tariff, that tariff must state where the other carrier's rates and regulations can be found. Such reference(s) must contain the FCC number(s) of the referenced tariff publication(s), the exact name(s) of the carrier(s) issuing such tariff publication(s), and must clearly state how the rates and regulations in the separate publications apply.

**§ 61.135 Concurrences for other purposes.**

When an issuing carrier permits another carrier to concur in its tariff, the issuing carrier's tariff must state the concurring carrier's rates and points of service.

**47 CFR Ch. I (10-1-05 Edition)**

**§ 61.136 Revocation of concurrences.**

A concurrence may be revoked by a revocation notice or cancelled by a new concurrence. A revocation notice or a new concurrence, if less broad in scope than the concurrence it cancels, must bear an effective date not less than 45 days after its receipt by the Commission. A revocation notice is not given a serial number, but must specify the number of the concurrence to be revoked and the name of the carrier in whose favor the concurrence was issued. It must be in the following format:
