

shall not require any displaced person to accept a dwelling provided by the Agency under these procedures (unless the Agency and the displaced person have entered into a contract to do so) in lieu of any acquisition payment or any relocation payment for which the person may otherwise be eligible.

(c) *Methods of providing comparable replacement housing.* Agencies shall have broad latitude in implementing this subpart, but implementation shall be for reasonable cost, on a case-by-case basis unless an exception to case-by-case analysis is justified for an entire project.

(1) The methods of providing replacement housing of last resort include, but are not limited to:

(i) A replacement housing payment in excess of the limits set forth in §24.401 or §24.402. A replacement housing payment under this section may be provided in installments or in a lump sum at the Agency's discretion.

(ii) Rehabilitation of and/or additions to an existing replacement dwelling.

(iii) The construction of a new replacement dwelling.

(iv) The provision of a direct loan, which requires regular amortization or deferred repayment. The loan may be unsecured or secured by the real property. The loan may bear interest or be interest-free.

(v) The relocation and, if necessary, rehabilitation of a dwelling.

(vi) The purchase of land and/or a replacement dwelling by the displacing Agency and subsequent sale or lease to, or exchange with a displaced person.

(vii) The removal of barriers for persons with disabilities.

(2) Under special circumstances, consistent with the definition of a comparable replacement dwelling, modified methods of providing replacement housing of last resort permit consideration of replacement housing based on space and physical characteristics different from those in the displacement dwelling (*see* appendix A, §24.404(c)), including upgraded, but smaller replacement housing that is decent, safe, and sanitary and adequate to accommodate individuals or families displaced from marginal or substandard housing with probable functional obsolescence. In no event, however, shall a displaced per-

son be required to move into a dwelling that is not functionally equivalent in accordance with §24.2(a)(6)(ii) of this part.

(3) The Agency shall provide assistance under this subpart to a displaced person who is not eligible to receive a replacement housing payment under §§24.401 and 24.402 because of failure to meet the length of occupancy requirement when comparable replacement rental housing is not available at rental rates within the displaced person's financial means. (*See* §24.2(a)(6)(viii)(C).) Such assistance shall cover a period of 42 months.

Subpart F—Mobile Homes

§ 24.501 Applicability.

(a) *General.* This subpart describes the requirements governing the provision of replacement housing payments to a person displaced from a mobile home and/or mobile home site who meets the basic eligibility requirements of this part. Except as modified by this subpart, such a displaced person is entitled to a moving expense payment in accordance with subpart D of this part and a replacement housing payment in accordance with subpart E of this part to the same extent and subject to the same requirements as persons displaced from conventional dwellings. Moving cost payments to persons occupying mobile homes are covered in §24.301(g)(1) through (g)(10).

(b) *Partial acquisition of mobile home park.* The acquisition of a portion of a mobile home park property may leave a remaining part of the property that is not adequate to continue the operation of the park. If the Agency determines that a mobile home located in the remaining part of the property must be moved as a direct result of the project, the occupant of the mobile home shall be considered to be a displaced person who is entitled to relocation payments and other assistance under this part.

§ 24.502 Replacement housing payment for 180-day mobile homeowner displaced from a mobile home, and/or from the acquired mobile home site.

(a) *Eligibility.* An owner-occupant displaced from a mobile home or site is

§ 24.502

entitled to a replacement housing payment, not to exceed \$22,500, under § 24.401 if:

(1) The person occupied the mobile home on the displacement site for at least 180 days immediately before:

(i) The initiation of negotiations to acquire the mobile home, if the person owned the mobile home and the mobile home is real property;

(ii) The initiation of negotiations to acquire the mobile home site if the mobile home is personal property, but the person owns the mobile home site; or

(iii) The date of the Agency's written notification to the owner-occupant that the owner is determined to be displaced from the mobile home as described in paragraphs (a)(3)(i) through (iv) of this section.

(2) The person meets the other basic eligibility requirements at § 24.401(a)(2); and

(3) The Agency acquires the mobile home as real estate, or acquires the mobile home site from the displaced owner, or the mobile home is personal property but the owner is displaced from the mobile home because the Agency determines that the mobile home:

(i) Is not, and cannot economically be made decent, safe, and sanitary;

(ii) Cannot be relocated without substantial damage or unreasonable cost;

(iii) Cannot be relocated because there is no available comparable replacement site; or

(iv) Cannot be relocated because it does not meet mobile home park entrance requirements.

(b) *Replacement housing payment computation for a 180-day owner that is displaced from a mobile home.* The replacement housing payment for an eligible displaced 180-day owner is computed as described at § 24.401(b) incorporating the following, as applicable:

(1) If the Agency acquires the mobile home as real estate and/or acquires the owned site, the acquisition cost used to compute the price differential payment is the actual amount paid to the owner as just compensation for the acquisition of the mobile home, and/or site, if owned by the displaced mobile homeowner.

(2) If the Agency does not purchase the mobile home as real estate but the

49 CFR Subtitle A (10-1-05 Edition)

owner is determined to be displaced from the mobile home and eligible for a replacement housing payment based on paragraph (a)(1)(iii) of this section, the eligible price differential payment for the purchase of a comparable replacement mobile home, is the lesser of the displaced mobile homeowner's net cost to purchase a replacement mobile home (*i.e.*, purchase price of the replacement mobile home less trade-in or sale proceeds of the displacement mobile home); or, the cost of the Agency's selected comparable mobile home less the Agency's estimate of the salvage or trade-in value for the mobile home from which the person is displaced.

(3) If a comparable replacement mobile home site is not available, the price differential payment shall be computed on the basis of the reasonable cost of a conventional comparable replacement dwelling.

(c) *Rental assistance payment for a 180-day owner-occupant that is displaced from a leased or rented mobile home site.*

If the displacement mobile home site is leased or rented, a displaced 180-day owner-occupant is entitled to a rental assistance payment computed as described in § 24.402(b). This rental assistance payment may be used to lease a replacement site; may be applied to the purchase price of a replacement site; or may be applied, with any replacement housing payment attributable to the mobile home, to the purchase of a replacement mobile home or conventional decent, safe and sanitary dwelling.

(d) *Owner-occupant not displaced from the mobile home.* If the Agency determines that a mobile home is personal property and may be relocated to a comparable replacement site, but the owner-occupant elects not to do so, the owner is not entitled to a replacement housing payment for the purchase of a replacement mobile home. However, the owner is eligible for moving costs described at § 24.301 and any replacement housing payment for the purchase or rental of a comparable site as described in this section or § 24.503 as applicable.
