(l) *Copies of the lease.* An original and two copies of each lease shall be signed by the parties. The authorized carrier shall keep the original and shall place a copy of the lease on the equipment during the period of the lease unless a statement as provided for in § 376.11(c)(2) is carried on the equipment instead. The owner of the equipment shall keep the other copy of the lease.

(m) This paragraph applies to owners who are not agents but whose equipment is used by an agent of an authorized carrier in providing transportation on behalf of that authorized carrier. In this situation, the authorized carrier is obligated to ensure that these owners receive all the rights and benefits due an owner under the leasing regulations, especially those set forth in paragraphs (d)–(k) of this section. This is true regardless of whether the lease for the equipment is directly between the authorized carrier and its agent rather than directly between the authorized carrier and each of these owners. The lease between an authorized carrier and its agent shall specify this obligation.
