

§ 381.205

(b) A waiver provides the person with relief from the regulations for up to three months.

(2) Part 383—Commercial Driver's License Standards; Requirements and Penalties;

(3) § 390.19 Motor Carrier Identification Report;

(4) § 390.21 Marking of commercial motor vehicles;

(5) Part 391—Qualifications of Drivers;

(6) Part 392—Driving of Commercial Motor Vehicles;

(7) Part 393—Parts and Accessories Necessary for Safe Operation;

(8) Part 395—Hours of Service of Drivers;

(9) Part 396—Inspection, Repair, and Maintenance (except § 396.25); and

(10) Part 399—Step, Handhold and Deck Requirements.

§ 381.205 How do I determine when I may request a waiver?

(a) You may request a waiver if one or more FMCSR would prevent you from using or operating CMVs, or make it unreasonably difficult to do so, during a unique, non-emergency event that will take no more than three months to complete.

(b) Before you decide to request a waiver, you should carefully review the regulation to determine whether there are any practical alternatives already available that would allow your use or operation of CMVs during the event. You should also determine whether you need a waiver from all of the requirements in one or more parts of the regulations, or whether a more limited waiver of certain sections within one or more of the parts of the regulations would provide an acceptable level of regulatory relief. For example, if you need relief from one of the record-keeping requirements concerning driver qualifications, you should not re-

quest relief from all of the requirements of part 391.

§ 381.210 How do I request a waiver?

(a) You must send a written request (for example, a typed or handwritten (printed) letter), which includes all of the information required by this section, to the Federal Motor Carrier Safety Administrator, U.S. Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590.

(b) You must identify the person who would be covered by the waiver. The application for a waiver must include:

(1) Your name, job title, mailing address, and daytime telephone number;

(2) The name of the individual, motor carrier, or other entity that would be responsible for the use or operation of CMVs during the unique, non-emergency event;

(3) Principal place of business for the motor carrier or other entity (street address, city, State, and zip code); and

(4) The USDOT identification number for the motor carrier, if applicable.

(c) You must provide a written statement that:

(1) Describes the unique, non-emergency event for which the waiver would be used, including the time period during which the waiver is needed;

(2) Identifies the regulation that you believe needs to be waived;

(3) Provides an estimate of the total number of drivers and CMVs that would be operated under the terms and conditions of the waiver; and

(4) Explains how you would ensure that you could achieve a level of safety that is equivalent to, or greater than, the level of safety that would be obtained by complying with the regulation.

§ 381.215 What will the FMCSA do after the agency receives my request for a waiver?

(a) The Federal Motor Carrier Safety Administration will review your request and make a recommendation to the Administrator. The final decision whether to grant or deny the application for a waiver will be made by the Administrator.

(b) After a decision is signed by the Administrator, you will be sent a copy of the document, which will include the
