§3.31 Deficiencies, inaccuracies, and changes, to be reported.

(a)(1) Each applicant or registrant as a futures commission merchant, commodity trading advisor, commodity pool operator, introducing broker, or leverage transaction merchant shall, in accordance with the instructions thereto, promptly correct any deficiency or inaccuracy in Form 7-R or Form 8-R which no longer renders accurate and current the information contained therein. Each such correction shall be made on Form 3-R and shall be prepared and filed in accordance with the instructions thereto. *Provided, however*, that where a registrant is reporting a change in the form of organization from or to a sole proprietorship, the registrant must file a Form 7-W regarding the pre-existing organization and a Form 7-R regarding the newly formed organization.

(2) If a registrant files a Form 3-R, pursuant to this section, to report a change in the form of the organization of the registrant, the registrant shall be liable for all obligations of the pre-existing organization under the Act, as it may be amended from time to time, and the rules, regulations, or orders which have been or may be promulgated thereunder.

(3) Where the deficiency or inaccuracy is created by the addition of a new principal not listed on the registrant's application for registration (or amendment of such application prior to the

The Form 8-R for each such principal shall be accompanied by the fingerprints of that principal on a fingerprint card provided by the National Futures Association for that purpose, unless such principal is a director who qualifies for the exemption from the fingerprint requirement pursuant to §3.21(c) or such principal has a current Form 8-R on file with the Commission or the National Futures Association.

(b) Each applicant or registrant as a floor broker, floor trader or associated person, each person who qualifies for the temporary no-action position under §1.66 of this chapter, and each principal of a futures commission merchant, commodity trading advisor, commodity pool operator, introducing broker, or leverage transaction merchant must, in accordance with the instructions thereto, promptly correct any deficiency or inaccuracy in the Form 8-R or supplemental statement thereto which renders no longer accurate and current the information contained in the Form 8-R or supplemental statement. Each such correction must be made on Form 3-R and must be prepared and filed in accordance with the instructions thereto.

(c)(1) After the filing of a Form 8-R or a Form 3-R by or on behalf of any person for the purpose of permitting that person to be an associated person of a futures commission merchant, commodity trading advisor, commodity pool operator, introducing broker, or a leverage transaction merchant, that futures commission merchant, commodity trading advisor, commodity pool operator, introducing broker or leverage transaction merchant must, within twenty days after

the occurrence of either of the following, file a notice thereof with the National Futures Association indicating:

(i) The failure of that person to become associated with the futures commission merchant, commodity trading advisor, commodity pool operator, introducing broker, or leverage transaction merchant, and the reasons therefor; or

(ii) The termination of the association of the associated person with the futures commission merchant, commodity trading advisor, commodity pool operator, introducing broker, or leverage transaction merchant, and the reasons therefor.

(2) Each person registered as, or applying for registration as, a futures commission merchant, commodity trading advisor, commodity pool operator, introducing broker or leverage transaction merchant must, within twenty days after the termination of the affiliation of a principal with the registrant or applicant, file a notice thereof with the National Futures Association.

(3) Any notice required by paragraph (c) of this section must be filed on Form 8-T or on a Uniform Termination Notice for Securities Industry Registration.

(d) Each contract market or derivatives transaction execution facility that has granted trading privileges to a person who is registered, has received a temporary license, or has applied for registration as a floor broker or floor trader, or whose name appears on a list of floor traders submitted in accordance with §1.66(a) of this chapter in order to qualify for the temporary no-action position thereunder, must notify the National Futures Association within sixty days after such person has ceased having trading privileges on such contract market or derivatives transaction execution facility.
