

§ 123.81

19 CFR Ch. I (4-1-06 Edition)

(c) *Reasons for cancellation of driver's authorization.* Customs may cancel a driver's authorization to transport merchandise for an LBCIP participant for any of the following reasons:

(1) The designated driver is indicted for, convicted of, or has committed acts which would constitute any felony or misdemeanor under United States Federal or State law. In the absence of an indictment, conviction, or other legal process, the port director must have probable cause to believe the proscribed acts occurred;

(2) The designated driver allows an unauthorized person or entity to use his LBCIP certificate or other approved form of identification;

(3) The designated driver misuses authorized conveyances;

(4) The designated driver refuses or otherwise fails to follow any proper order of a Customs officer or any Customs order, rule, or regulation; or

(5) The designated driver fails to operate in accordance with the terms of the written agreement.

(d) *Notice; rights of driver*—(1) *If driver not acceptable to Customs at time of review of carrier's application.* When Customs notifies a carrier-applicant, pursuant to § 123.74 of this part, of its nonselection into the LBCIP because of conduct committed by a driver designated by the carrier or when Customs conditionally approves a carrier-applicant's participation in the LBCIP, but does not approve a driver designated on the application to be authorized to transport merchandise under the LBCIP, Customs will also notify the driver of the decision in writing and recite the driver's appeal rights under paragraph (e) of this section.

(2) *If driver's authorization cancelled.* When Customs makes a determination to cancel the authorization of a particular designated driver, pursuant to § 123.76(b) of this section, Customs will notify both the carrier-participant and the driver of the decision in writing; the notice to the driver will recite the driver's appeal rights under paragraph (e) of this section.

(e) *Appeal rights of drivers.* Drivers who receive a notice of nonselection or cancellation and who wish to appeal the decision shall file a written appeal with the Assistant Commissioner, Of-

fice of Field Operations, U.S. Customs Service, Washington, D.C. 20229, within 10 calendar days of receipt of the notice. The appeal shall be filed in duplicate and shall set forth the driver's responses to the grounds specified by the port director in the notice. Within 30 working days of receipt of the appeal, the Assistant Commissioner, or his designee, shall make a determination regarding the appeal and notify the applicant in writing.

Subpart I—Miscellaneous Provisions

§ 123.81 Merchandise found in building on the boundary.

When any merchandise on which the duty has not been paid or which was imported contrary to law is found in any building upon or within 10 feet of the boundary line between the United States and Canada or Mexico, such merchandise shall be seized and a report of the facts shall be made to the Commissioner. With his approval the building or that portion thereof which is within the United States shall be taken down or removed. The provisions of subpart B of part 162, of this chapter shall be applicable to the search of any such building.

Subpart J—Advance Information for Cargo Arriving by Rail or Truck

SOURCE: CBP Dec. 03-32, 68 FR 68173, Dec. 5, 2003, unless otherwise noted.

§ 123.91 Electronic information for rail cargo required in advance of arrival.

(a) *General requirement.* Pursuant to section 343(a), Trade Act of 2002, as amended (19 U.S.C. 2071 note), and subject to paragraph (e) of this section, for any train requiring a train sheet under § 123.6, that will have commercial cargo aboard, Customs and Border Protection (CBP) must electronically receive from the rail carrier certain information concerning the incoming cargo, as enumerated in paragraph (d) of this section, no later than 2 hours prior to the cargo reaching the first port of arrival in the United States. Specifically, to effect the advance electronic transmission of the required rail cargo information to CBP, the rail carrier must use a CBP-approved electronic data interchange system.

(1) *Through cargo in transit to a foreign country.* Cargo arriving by train for transportation in transit across the United States from one foreign country to another; and cargo arriving by train for transportation through the United States from point to point in the same foreign country are subject to the advance electronic information filing requirement for incoming cargo under paragraph (a) of this section.

(2) *Cargo under bond.* Cargo that is to be unladed from the arriving train and entered, in bond, for exportation, or for transportation and exportation, in another vehicle or conveyance is also subject to the advance electronic information filing requirement under paragraph (a) of this section.

(b) *Exception; cargo in transit from point to point in the United States.* Domestic cargo transported by train to one port from another in the United States by way of Canada or Mexico is

not subject to the advance electronic information filing requirement for incoming cargo under paragraph (a) of this section.

(c) *Incoming rail carrier—(1) Receipt of data; acceptance of cargo.* As a pre-requisite to accepting the cargo, the carrier must receive, from the foreign shipper and owner of the cargo or from a freight forwarder, as applicable, any necessary cargo shipment information, as listed in paragraph (d) of this section, for electronic transmission to CBP.

(2) *Accuracy of information received by rail carrier.* Where the rail carrier electronically presenting the cargo information required in paragraph (d) of this section receives any of this information from another party, CBP will take into consideration how, in accordance with ordinary commercial practices, the rail carrier acquired such information, and whether and how the carrier is able to verify this information. Where the rail carrier is not reasonably able to verify such information, CBP will permit the carrier to electronically present the information on the basis of what the carrier reasonably believes to be true.

(d) *Cargo information required.* The rail carrier must electronically transmit to CBP the following information for all required incoming cargo that will arrive in the United States by train:

(1) The rail carrier identification SCAC code (the unique Standard Carrier Alpha Code assigned for each carrier by the National Motor Freight Traffic Association; see § 4.7a(c)(2)(iii) of this chapter);

(2) The carrier-assigned conveyance name, equipment number and trip number;

(3) The scheduled date and time of arrival of the train at the first port of entry in the United States;

(4) The numbers and quantities of the cargo laden aboard the train as contained in the carrier's bill of lading, either master or house, as applicable (this means the quantity of the lowest external packaging unit; containers
