

extra service credited for unhealthful post duty in accordance with section 816 of the Act, dies before separation from the Service, and is survived by a spouse as defined in § 19.2(v) such survivor shall be entitled to an annuity equal to 55 percent of the annuity computed in accordance with § 19.10-1 less any annuity payable to a former spouse under paragraph a. If the participant had less than three years of creditable civilian service at the time of death, the survivor annuity is computed on the basis of the average salary for the entire period of such service. If, at time of death, the participant had less than 20 years of creditable service, the annuity shall be computed on the assumption that the participant has had 20 years of service, but such additional service credit shall in no case exceed the difference between the participant's age on the date of death and age 65. A spouse is entitled to an additional survivor annuity under § 19.10-5 provided death occurs on or after the effective date of a spousal agreement providing for the additional annuity.

(c) *Annuity for a child or children.* If a participant described in paragraph (b) of this section is survived by a child or children, each surviving child is entitled to an annuity as described in § 19.11-7.

(d) *Annuity changes.* Annuities based on a death in service are subject to the provisions of § 19.11-5 governing commencement, adjustment, termination and resumption of annuities.

§ 19.11-7 Annuity payable to surviving child or children.

(a) If a participant who has at least 18 months of civilian service credit under the System dies in service, or if an annuitant who was a former participant dies, annuities are payable to a surviving child or children, as defined in § 19.2(e) as follows:

(1) *When survived by spouse and child or children.* If a principal is survived by a wife or husband and by a child or children, in addition to any other annuity, there shall be paid to or on behalf of each child an annuity equal to the smallest of:

(i) \$900

(ii) \$2,700 divided by the number of children—adjusted under paragraph (b).

(2) *When survived by a child or children but no spouse.* If the principal is not survived by a wife or husband, but by a child or children, each surviving child shall be paid an annuity equal to the smallest of:

(i) \$1,080

(ii) \$3,240 divided by the number of children—adjusted under paragraph (b) of this section.

(b) *Adjusted rates.* In order to reflect cost-of-living increases, the amounts referred to in paragraphs (a)(1) and (2) are increased from the commencing date of the annuity to each child by the cumulative percentage of all cost-of-living increases that have occurred under 5 U.S.C. 8340 since October 31, 1969.

(c) *Recomputation of annuity for child or children.* If a surviving wife or husband dies or the annuity of a child is terminated, the annuities of any remaining children shall be recomputed and paid as though such spouse or child had not survived the participant. If the annuity to a surviving child who has not been receiving an annuity is initiated or resumed, the annuities of any other children shall be recomputed and paid from that date as though the annuities to all currently eligible children in the family were then being initiated.

§ 19.11-8 Required elections between survivor benefits.

(a) *Bar against concurrent payment under this Act and Workers' Compensation Act.* Except as stated below, survivor annuities and survivors' compensation for work injuries under 5 U.S.C. 8102 are not payable concurrently if both are based on the death of the same employee. A survivor entitled to both must elect which of the two benefits he/she prefers. Should all eligible survivors of a deceased employee elect to receive the compensation benefit rather than the survivor annuity, their rights to the latter are terminated and, if the lump-sum credit has not been exhausted, a lump-sum payment will become due under § 19.13. The one exception to this rule occurs when a widow or widower is being paid the balance of a scheduled compensation award under 5 U.S.C. 8107 due the deceased employee. If so, the widow or

widower may receive the survivor annuity and compensation award concurrently.

(b) *Election between survivor annuity and social security benefits.* Pursuant to 42 U.S.C. 417 (a) and (e), survivors who are eligible for annuity which is based in part on military service performed by a principal between September 16, 1940, and December 31, 1956, and also for survivor benefits under the Social Security system, may elect to have the military service credited toward the Social Security benefit. In practice, the survivors should apply for both benefits, ask the Department and the Social Security Administration for statements showing the amount of each benefit, and then make their election of where to credit the military service. If Social Security benefits are elected, the rights of *all* survivors to a foreign service annuity are terminated.

§ 19.12 Employment in a Government agency.

An annuitant who is reemployed by a Federal Government agency may not receive a combination of salary and annuity which exceeds his/her Foreign Service salary at the time of retirement. Refer to § 19.9-4.

§ 19.13 Lump-sum payment.

§ 19.13-1 Lump-sum credit.

“Lump-sum credit” is the compulsory and special contributions to a participant’s or former participant’s credit in the Fund for his/her first 35 years of service plus interest thereon computed from the midpoint of each service period and compounded at four percent annually to the date of separation or December 31, 1976, whichever is earlier, and after such date, for a participant who separates from the Service after completing at least one year of civilian service and before completing 5 years of such service, at the rate of three percent annually to the date of separation. Interest shall not be paid for a fractional part of a month in the total service or on compulsory and special contributions from the annuitant for recall service or other service performed after the date of separation which forms the basis for annuity.

§ 19.13-2 Share payable to a former spouse.

A former spouse of a participant or annuitant is entitled to a prorata share of 50 percent of any lump-sum payment authorized to be paid to a former participant under this section who separated from the Service on or after February 15, 1981, unless otherwise directed in a court order or a spousal agreement.

§ 19.13-3 Payment after death of principal.

If a participant or former participant dies and no claim for annuity is payable, the lump-sum credit is paid to surviving beneficiaries.

§ 19.14 Waiver of annuity.

An individual entitled to be paid an annuity may, for personal reasons, decline to accept all or any part of the annuity. However, a principal may not waive the portion of his/her annuity authorized to be paid to a former spouse under § 19.7 or § 19.9 or to a beneficiary under § 19.6. An annuity waiver shall be in writing and sent to the Department (PER/ER/RET). A waiver may be revoked in writing at any time. Payment of the annuity waived may not be made for the period during which the waiver was in effect.
