

uses as its principal place of worship, however, are ineligible for ICDBG-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to governmentwide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(g) If a tribal government voluntarily contributes its own funds to supplement federally funded activities, the tribal government has the option to segregate the federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds. Further, if a state or local government is required to contribute matching funds to supplement a federally funded activity, the matching funds are considered commingled with the federal assistance and therefore subject to the requirements of this section. Some HUD programs requirements govern any project or activity assisted under those programs. Accordingly, grantees should consult with the appropriate HUD program office to determine the scope of applicable requirements.

§ 1003.601 Nondiscrimination.

(a) Under the authority of section 107(e)(2) of the Act, the Secretary waives the requirement that grantees comply with section 109 of the Act except with respect to the prohibition of discrimination based on age, sex, religion, or against an otherwise qualified disabled individual.

(b) A grantee shall comply with the provisions of title II of Pub. L. 90-284 (24 U.S.C. 1301—the Indian Civil Rights Act) in the administration of a program or activity funded in whole or in part with funds made available under this part. For purposes of this section, “program or activity” is defined as any function conducted by an identifiable administrative unit of the grantee; and “funded in whole or in part with funds made available under this part” means that ICDBG funds in any amount have been transferred by the grantee to an identifiable administrative unit and disbursed in a program or activity.

§ 1003.602 Relocation and real property acquisition.

(a) *Minimize displacement.* Consistent with the other goals and objectives of this part, grantees shall assure that they have taken all reasonable steps to minimize the displacement of persons (households, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly housing costs (e.g., rent/utility costs).

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may occupy a suitable, decent, safe, and sanitary dwelling in the building/complex following completion of the repairs; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (g) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA)(42 U.S.C. 4601-4655) and implementing regulations at 49 CFR part 24.

(d) *Optional relocation assistance.* Under section 105(a)(11) of the Act, the grantee may provide relocation payments and other relocation assistance to persons displaced by a project that is not subject to paragraph (c) of this section. The grantee may also provide relocation assistance to persons receiving assistance under paragraph (c) of

this section at levels in excess of those required. For assistance that is not required by State or tribal law, the grantee shall adopt a written policy available to the public that describes the relocation assistance that it has elected to furnish and provides for equal relocation assistance within each class of displaced persons.

(e) *Real Property acquisition requirements.* The acquisition of real property for an assisted activity is subject to 49 CFR part 24, subpart B. Whenever the grantee does not have the authority to acquire the real property through condemnation, it shall:

(1) Before discussing the purchase price, inform the owner:

(i) Of the amount it believes to be the fair market value of the property. Such amount shall be based upon one or more appraisals prepared by a qualified appraiser. However, this provision does not prevent the grantee from accepting a donation or purchasing the real property at less than its fair market value.

(ii) That it will be unable to acquire the property if negotiations fail to result in an amicable agreement.

(2) Request HUD approval of the proposed acquisition price before executing a firm commitment to purchase the property. The grantee shall include with its request a copy of the appraisal(s) and, when applicable, a justification for any proposed acquisition payment that exceeds the fair market value of the property. HUD will promptly review the proposal and inform the grantee of its approval or disapproval.

(f) *Appeals.* A person who disagrees with the grantee's determination concerning whether the person qualifies as a "displaced person," or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the grantee. A person who is dissatisfied with the grantee's determination on his or her appeal may submit a written request for review of that determination to the HUD Area ONAP.

(g) *Responsibility of grantee.* (1) The grantee shall certify that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, *i.e.*, provide assurance of compliance as required by 49 CFR part

24. The grantee shall ensure such compliance notwithstanding any third party's contractual obligation to the grantee to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. However, such assistance may also be paid for with funds available to the grantee from any other source.

(3) The grantee shall maintain records in sufficient detail to demonstrate compliance with this section.

(h) *Definition of displaced person.* (1) For purposes of this section, the term *displaced person* means any person (household, business, nonprofit organization, or farm) that moves from real property, or moves his or her personal property from real property, permanently, as a direct result of rehabilitation, demolition, or acquisition for a project assisted under this part. The term "displaced person" includes, but is not limited to:

(i) A tenant-occupant of a dwelling unit who moves from the building/complex permanently after the submission to HUD of an application for financial assistance that is later approved.

(ii) Any person, including a person who moves before the date described in paragraph (h)(1)(i) of this section, that either HUD or the grantee determines was displaced as a direct result of acquisition, rehabilitation, or demolition for the assisted project.

(iii) A tenant-occupant of a dwelling who moves from the building/complex permanently, after the execution of the agreement between the grantee and HUD, if the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(A) The tenant's monthly rent and estimated average monthly utility costs before the agreement; or

(B) 30 percent of gross household income.

(iv) A tenant-occupant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied unit, any increased housing costs and incidental expenses; or

(B) Other conditions of the temporary relocation are not reasonable.

(v) A tenant-occupant of a dwelling who moves from the building/complex after he or she has been required to move to another dwelling unit in the same building/complex in order to carry out the project, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (h)(1) of this section, a person does not qualify as a "displaced person" (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person moved into the property after the submission of the application for financial assistance to HUD, but, before signing a lease or commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated or suffer a rent increase) and the fact that the person would not qualify as a "displaced person" or for any assistance provided under this section as a result of the project;

(ii) The person is ineligible under 49 CFR 24.2(g)(2).

(iii) The grantee determines the person is not displaced as a direct result of acquisition, rehabilitation, or demolition for an assisted project. To exclude a person on this basis, HUD must concur in that determination.

(3) A grantee may at any time ask HUD to determine whether a specific displacement is or would be covered under this section.

(i) *Definition of initiation of negotiations.* For purposes of determining the

formula for computing the replacement housing assistance to be provided to a person displaced as a direct result of rehabilitation or demolition of the real property, the term "initiation of negotiations" means the execution of the agreement covering the rehabilitation or demolition.

§ 1003.603 Labor standards.

In accordance with the authority under section 107(e)(2) of the Act, the Secretary waives the provisions of section 110 of the Act (Labor Standards) with respect to this part, including the requirement that laborers and mechanics employed by the contractor or subcontractor in the performance of construction work financed in whole or in part with assistance received under this part be paid wages at rates not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C. 276 a to a-7).

§ 1003.604 Citizen participation.

(a) In order to permit residents of Indian tribes and Alaska native villages to examine and appraise the applicant's application for funds under this part, the applicant shall follow traditional means of resident involvement which, at the least, include the following:

(1) Furnishing residents with information concerning the amounts of funds available for proposed community development and housing activities and the range of activities that may be undertaken.

(2) Holding one or more meetings to obtain the views of residents on community development and housing needs. Meetings shall be scheduled in ways and at times that will allow participation by residents.

(3) Developing and publishing or posting a community development statement in such a manner as to afford affected residents an opportunity to examine its contents and to submit comments.

(4) Affording residents an opportunity to review and comment on the
