(b) *Correction.* A manufacturer may be required to correct imminent safety hazards and serious defects which the manufacturer or the Secretary determines under subpart I exist in manufactured homes produced by the manufacturer. § 3282.211 Record of purchasers.

(a) *Information requirements for purchasers.* (1) Every manufacturer of manufactured homes shall, for each manufactured home manufactured under the Federal standards, provide with the manufactured home a booklet containing at least 3 detachable cards as described in paragraph (a)(2) of this section. On the front of the booklet, in bold faced type, shall be printed the following language:

“Keep this booklet with your manufactured home. Title VI of the Housing and Community Development Act of 1974 provides you with protection against certain construction and safety hazards in your manufactured home. To help assure your protection, the manufacturer of your manufactured home needs the information which these cards, when completed and mailed, will

supply. If you bought your home from a dealer, please be sure that your dealer has completed and mailed a card for you. If you acquired your home from someone who is not a dealer, you should promptly fill out and send a card to the manufacturer. It is important that you keep this booklet and give it to any person who buys the manufactured home from you.”

(2) The detachable cards shall contain blanks for the following information:

(i) Name and address of the dealer or other person selling the manufactured home to the purchaser;

(ii) Name and complete mailing address of the manufactured home purchaser;

(iii) Address where the manufactured home will be located, if not the same as item (a)(2)(ii) of this section.

(iv) Date of sale to the purchaser;

(v) Month, day and year of manufacture;

(vi) Identification number of the manufactured home;

(vii) Model and/or type designation of the manufactured home as provided by the manufacturer; and

(viii) A designation of the zones for which the manufactured home is equipped, as set forth in § 3280.305 in this title.

Additionally, the cards shall have the name and address of the manufacturer printed clearly on the reverse side and shall contain adequate postage or business reply privileges to ensure return to the manufacturer. The manufacturer shall have the responsibility for filing in the blanks on the cards for paragraphs (a)(2) (v), (vi), (vii), and (viii) of this section.

(3) The manufacturer shall maintain all cards received so that the manufacturer has a readily accessible record of the current purchaser or owner and the current address of all manufactured homes manufactured by it for which a card has been received.

Subpart F—Dealer and Distributor Responsibilities

§ 3282.251 Scope and purpose.

(a) This subpart sets out the responsibilities which shall be met by distributors and dealers with respect to manufactured homes manufactured

after the effective date of the standards for sale to purchasers in the United States. It prohibits the sale, lease, or offer for sale or lease of manufactured homes known by the distributor or dealer not to be in conformance with the standards, and it includes responsibilities for maintaining certain records and assisting in the gathering of certain information.

(b) The purpose of this subpart is to inform distributors and dealers when they may sell manufactured homes, when they are prohibited from selling manufactured homes, and what they may do in order to prepare a manufactured home for sale if it is not in conformance with the standards.

(c) For purposes of this part, any manufacturer or distributor who sells, leases, or offers for sale or lease a manufactured home to a purchaser shall be a dealer for purposes of that transaction.

§ 3282.252 Prohibition of sale.

(a) No distributor or dealer shall make use of any means of transportation affecting interstate or foreign commerce or the mails to sell, lease, or offer for sale or lease in the United States any manufactured home manufactured on or after the effective date of an applicable standard unless:

(1) There is affixed to the manufactured home a label certifying that the manufactured home conforms to applicable standards as required by § 3282.205(c), and

(2) The distributor or dealer, acting as a reasonable distributor or dealer, does not know that the manufactured home does not conform to any applicable standards.

(b) This prohibition applies to any affected manufactured homes until the completion of the entire sales transaction. A sales transaction with a purchaser is considered completed when all the goods and services that the dealer agreed to provide at the time the contract was entered into have been provided. Completion of a retail sale will be at the time the dealer completes set-up of the manufactured home if the dealer has agreed to provide the set-up, or at the time the dealer delivers the home to a transporter, if the dealer has not agreed to transport or
