

§ 3284.1

SOURCE: 67 FR 52835, Aug. 13, 2002, unless otherwise noted.

§ 3284.1 Applicability.

This part applies to manufacturers that are subject to the requirements of the National Manufactured Housing Construction and Safety Standards Act of 1974 (the Act), and to States having State plans approved in accordance with the Act. The amounts established under this part for any fee collected from manufacturers will be used, to the extent approved in advance in an annual appropriations Act, to offset the expenses incurred by HUD in connection with the manufactured housing program authorized by the Act.

§ 3284.5 Amount of fee.

Each manufacturer, as defined in § 3282.7 of this chapter, must pay a fee of \$39 per transportable section of each manufactured housing unit that it manufactures under the requirements of part 3280 of this chapter.

§ 3284.10 Payments to States.

Each calendar year HUD will pay each State that, on December 27, 2000, had a State plan approved pursuant to subpart G of part 3282 of this chapter a total amount that is not less than the amount paid to that State for the 12 months ending at the close of business on December 26, 2000.

§ 3500.2 Definitions.

(a) *Statutory terms.* All terms defined in RESPA (12 U.S.C. 2602) are used in accordance with their statutory meaning unless otherwise defined in paragraph (b) of this section or elsewhere in this part.

(b) *Other terms.* As used in this part: *Application* means the submission of a borrower's financial information in anticipation of a credit decision, whether written or computer-generated, relating to a federally related mortgage loan. If the submission does not state or identify a specific property, the submission is an application for a pre-qualification and not an application for a federally related mortgage loan under this part. The subsequent addition of an identified property to the submission converts the submission to an application for a federally related mortgage loan.

Business day means a day on which the offices of the business entity are
