

§ 570.304 Making of grants.

(a) *Approval of grant.* HUD will approve a grant if the jurisdiction's submissions have been made and approved in accordance with 24 CFR part 91, and the certifications required therein are satisfactory to the Secretary. The certifications will be satisfactory to the Secretary for this purpose unless the Secretary has determined pursuant to subpart O of this part that the grantee has not complied with the requirements of this part, has failed to carry out its consolidated plan as provided under § 570.903, or has determined that there is evidence, not directly involving the grantee's past performance under this program, that tends to challenge in a substantial manner the grantee's certification of future performance. If the Secretary makes any such determination, however, further assurances may be required to be submitted by the grantee as the Secretary may deem warranted or necessary to find the grantee's certification satisfactory.

(b) *Grant agreement.* The grant will be made by means of a grant agreement executed by both HUD and the grantee.

(c) *Grant amount.* The Secretary will make a grant in the full entitlement amount, generally within the last 30 days of the grantee's current program year, unless:

(1) Either the consolidated plan is not received by August 16 of the federal fiscal year for which funds are appropriated or the consolidated plan is not approved under 24 CFR part 91, subpart F—in which case, the grantee will forfeit the entire entitlement amount; or

(2) The grantee's performance does not meet the performance requirements or criteria prescribed in subpart O and the grant amount is reduced.

§ 570.307 Urban counties.

(a) *Determination of qualification.* The Secretary will determine the qualifications of counties to receive entitlements as urban counties upon receipt of qualification documentation from counties at such time, and in such manner and form as prescribed by

HUD. The Secretary shall determine eligibility and applicable portions of each eligible county for purposes of fund allocation under section 106 of the Act on the basis of information available from the U.S. Bureau of the Census with respect to population and other pertinent demographic characteristics, and based on information provided by the county and its included units of general local government.

(b) *Qualification as an urban county.*

(1) A county will qualify as an urban county if such county meets the definition at § 570.3(3). As necessitated by this definition, the Secretary shall determine which counties have authority to carry out essential community development and housing assistance activities in their included units of general local government without the consent of the local governing body and which counties must execute cooperation agreements with such units to include them in the urban county for qualification and grant calculation purposes.

(2) At the time of urban county qualification, HUD may refuse to recognize the cooperation agreement of a unit of general local government in an urban county where, based on past performance and other available information, there is substantial evidence that such unit does not cooperate in the implementation of the essential community development or housing assistance activities or where legal impediments to such implementation exist, or where participation by a unit of general local government in noncompliance with the applicable law in subpart K would constitute noncompliance by the urban county. In such a case, the unit of general local government will not be permitted to participate in the urban county, and its population or other needs characteristics will not be considered in the determination of whether the county qualifies as an urban county or in determining the amount of funds to which the urban county may be entitled. HUD will not take this action unless the unit of general local government and the county have been given an opportunity to challenge HUD's determination and to informally consult with HUD concerning the proposed action.
