

§ 574.520

rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in § 58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved (or HUD has performed an environmental review and the recipient has received HUD approval of the property). HUD will not release grant funds if the recipient or any other party commits grant funds (*i.e.*, incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).

(c) For activities under a grant to a nonprofit entity that would generally be subject to review under part 58, HUD may make a finding in accordance with § 58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient nonprofit entity objects in writing to the responsible entity's performing the review under part 58. Irrespective of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property.

(b) *Exceptions: Threshold requirements.* Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (a) of this section when it determines that the exception will serve to further the purposes of the HOPWA program and the effective and efficient administration of the recipient's program or project. (2) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(4) Whether the interest or benefit was present before the affected person
