§ 582.230 Environmental review.

(a) Activities under this part are subject to HUD environmental regulations in part 58 of this title, except that HUD will perform an environmental review in accordance with part 50 of this title prior to its approval of any conditionally selected applications from PHAs for Fiscal Year 2000 and prior years for other than the SRO component. For activities under a grant to a PHA that generally would be subject to review under part 58, HUD may make a finding in accordance with § 58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient PHA objects in writing to the responsible entity's performing the review under part 58. Irrespective of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

(b) The recipient, its project partners and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in § 58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved or HUD has per-

24 CFR Ch. V (4-1-06 Edition)

formed an environmental review under part 50 and the recipient has received HUD approval of the property. HUD will not release grant funds if the recipient or any other party commits grant funds (*i.e.*, incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).

Subpart D—Program Requirements

§ 582.300 General operation.

(a) *Participation of homeless individuals.* (1) Each recipient must provide for the consultation and participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policy-making entity of the recipient, to the extent that the entity considers and makes policies and decisions regarding any housing assisted under this part or services for the participants. This requirement is waived if the applicant is unable to meet the requirement and presents a plan, which HUD approves, to otherwise consult with homeless or formerly homeless individuals in considering and making such policies and decisions. Participation by such an individual who also is a participant under the program does not constitute a conflict of interest under § 582.340(b) of this part.

(2) To the maximum extent practicable, each recipient must involve homeless individuals and families, through employment, volunteer services, or otherwise, in constructing or rehabilitating housing assisted under this part and in providing supportive services required under § 582.215 of this part.

(b) *Ongoing assessment of housing and supportive services.* Each recipient of assistance must conduct an ongoing assessment of the housing assistance and supportive services required by the participants, and make adjustments as appropriate.

(c) *Adequate supportive services.* Each recipient must assure that adequate supportive services are available to participants in the program.

(d) *Records and reports.* (1) Each recipient must keep any records and, within the timeframe required, make any reports (including those pertaining to race, ethnicity, gender, and disability status data) that HUD may require.

(2) Each recipient must keep on file, and make available to the public on request, a description of the procedures used to select sponsors under the SRA component and buildings under the SRO, SRA, and PRA components.

(3) Each recipient must develop, and make available to the public upon request, its procedures for managing the rental housing assistance funds provided by HUD. At a minimum, such procedures must describe how units will be identified and selected; how the responsibility for inspections will be handled; the process for deciding which unit a participant will occupy; how participants will be placed in, or assisted in finding appropriate housing; how rent calculations will be made and the amount of rental assistance payments determined; and what safeguards will be used to prevent the misuse of funds.

§ 582.305 Housing quality standards; rent reasonableness.

(a) *Housing quality standards.* Housing assisted under this part must meet the applicable housing quality standards (HQS) under § 982.401 of this title—except that § 982.401(j) of this title does not apply and instead part 35, subparts A, B, K and R of this title apply—and, for SRO under § 882.803(b) of this title. Before any assistance will be provided on behalf of a participant, the recipient, or another entity acting on behalf of the recipient (other than the owner of the housing), must physically inspect each unit to assure that the unit meets the HQS. Assistance will not be provided for units that fail to meet the HQS, unless the owner corrects any deficiencies within 30 days from the date of the lease agreement and the recipient verifies that all deficiencies have been corrected. Recipients must also inspect all units at least annually dur-

ing the grant period to ensure that the units continue to meet the HQS.

(b) *Rent reasonableness.* HUD will only provide assistance for a unit for which the rent is reasonable. For TRA, PRA, and SRA, it is the responsibility of the recipient to determine whether the rent charged for the unit receiving rental assistance is reasonable in relation to rents being charged for comparable unassisted units, taking into account the location, size, type, quality, amenities, facilities, and management and maintenance of each unit, as well as not in excess of rents currently being charged by the same owner for comparable unassisted units. For SRO, rents are calculated in accordance with 24 CFR 882.805(g).

§ 582.310 Resident rent.

(a) *Amount of rent.* Each participant must pay rent in accordance with section 3(a)(1) of the U.S. Housing Act of 1937 (42 U.S.C. 1437a(a)(1)), except that in determining the rent of a person occupying an intermediate care facility assisted under title XIX of the Social Security Act, the gross income of this person is the same as if the person were being assisted under title XVI of the Social Security Act.

(b) *Calculating income.* (1) Income of participants must be calculated in accordance with 24 CFR 5.609 and 24 CFR 5.611(a).

(2) Recipients must examine a participant's income initially, and at least annually thereafter, to determine the amount of rent payable by the participant. Adjustments to a participant's rental payment must be made as necessary.

(3) As a condition of participation in the program, each participant must agree to supply the information or documentation necessary to verify the participant's income. Participants must provide the recipient information at any time regarding changes in income or other circumstances that may result in changes to a participant's rental payment.
