(3) Pay a portion of the cost of acquisition and rehabilitation of structures, as described in paragraphs (a)(1) and (2) of this section.

(b) *Amount.* The maximum grant available for acquisition, rehabilitation, or acquisition and rehabilitation is the lower of:

§ 583.110 Grants for new construction.

(a) *Use.* HUD will grant funds to recipients to pay a portion of the cost of new construction, including cost-effective energy measures and the cost of land associated with that construction, for use in the provision of supportive housing. If the grant funds are used for new construction, the applicant must demonstrate that the costs associated with new construction are substantially less than the costs associated with rehabilitation or that there is a lack of available appropriate units that could be rehabilitated at a cost less than new construction. For purposes of this cost comparison, costs associated with rehabilitation or new construction may include the cost of real property acquisition.

(b) *Amount.* The maximum grant available for new construction is the lower of:

(1) \$400,000; or

(2) The total cost of the new construction, including the cost of land associated with that construction, minus the applicant's contribution toward the cost of same.

§ 583.115 Grants for leasing.

(a) *General.* HUD will provide grants to pay (as described in § 583.130 of this part) for the actual costs of leasing a structure or structures, or portions thereof, used to provide supportive housing or supportive services for up to five years.

(b)(1) *Leasing structures.* Where grants are used to pay rent for all or part of structures, the rent paid must be reasonable in relation to rents being charged in the area for comparable space. In addition, the rent paid may not exceed rents currently being charged by the same owner for comparable space.

(2) *Leasing individual units.* Where grants are used to pay rent for individual housing units, the rent paid must be reasonable in relation to rents being charged for comparable units, taking into account the location, size, type, quality, amenities, facilities, and management services. In addition, the rents may not exceed rents currently being charged by the same owner for comparable unassisted units, and the portion of rents paid with grant funds may not exceed HUD-determined fair market rents. Recipients may use grant funds in an amount up to one month's rent to pay the non-recipient landlord for any damages to leased units by homeless participants.
