

§ 84.3

the cumulative obligations from the cumulative funds authorized.

Unrecovered indirect cost means the difference between the amount awarded and the amount which could have been awarded under the recipient's approved negotiated indirect cost rate.

Working capital advance means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 84.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 84.4.

§ 84.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this rule when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this rule shall be permitted only in unusual circumstances. HUD may apply more restrictive requirements to a class of recipients when approved by OMB. HUD may apply less restrictive requirements when awarding small awards and when approved by OMB, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by HUD.

§ 84.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals, commercial organizations and international organizations operating domestically, or other non-profit organizations. State, local and Federally recognized Indian tribal government subrecipients are subject to the provisions of regulations imple-

24 CFR Subtitle A (4-1-06 Edition)

menting the grants management common rule, "Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments," (24 CFR part 85).

Subpart B—Pre-Award Requirements

§ 84.10 Purpose.

Sections 84.11 through 84.17 prescribe forms and instructions and other pre-award matters to be used in applying for HUD awards.

§ 84.11 Pre-award policies.

(a) *Use of Grants and Cooperative Agreements, and Contracts.* In each instance, HUD shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, "substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement." Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) *Public Notice and Priority Setting.* HUD shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 84.12 Forms for applying for Federal assistance.

(a) HUD shall comply with the applicable report clearance requirements of 5 CFR part 1320, "Controlling Paperwork Burdens on the Public," with regard to all forms used by HUD in place of or as a supplement to the Standard Form 424 (SF-424) series.

Office of the Secretary, HUD

§ 84.17

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by HUD.

(c) For Federal programs covered by E.O. 12372, "Intergovernmental Review of Federal Programs," the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the *Catalog of Federal Domestic Assistance*. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

§ 84.13 Debarment and suspension; Drug-Free Workplace.

(a) HUD and its recipients and sub-recipients shall comply with the non-procurement debarment and suspension common rule implementing E.O.s 12549 and 12689, "Debarment and Suspension," at 24 CFR part 24. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

(b) HUD and its recipients and sub-recipients shall comply with the certification requirements of the Drug-Free Workplace Act of 1988 (42 U.S.C. 701), as set forth at 24 CFR part 24, subpart F.

§ 84.14 Special award conditions.

If an applicant or recipient:

(a) Has a history of poor performance;

(b) Is not financially stable;

(c) Has a management system that does not meet the standards prescribed in this part;

(d) Has not conformed to the terms and conditions of a previous award; or

(e) Is not otherwise responsible, HUD may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for

requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

§ 84.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. HUD shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

§ 84.16 Resource Conservation and Recovery Act.

Under the Resource Conservation and Recovery Act (RCRA) (Pub. L. 94-580, 42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247 through 254). Accordingly, State and local institutions of higher education, hospitals, commercial organizations and international organizations when operating domestically, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 84.17 Certifications and representations.

Unless prohibited by statute or codified regulation, HUD is authorized and
