

§ 880.504 Leasing to eligible families.

(a) *Availability of units for occupancy by Eligible Families.* During the term of the Contract, an owner shall make available for occupancy by eligible families the total number of units for which assistance is committed under the Contract. For purposes of this section, making units available for occupancy by eligible families means that the owner: (1) Is conducting marketing in accordance with §880.601(a); (2) has leased or is making good faith efforts to lease the units to eligible and otherwise acceptable families, including taking all feasible actions to fill vacancies by renting to such families; and (3) has not rejected any such applicant family except for reasons acceptable to the contract administrator. If the owner is temporarily unable to lease all units for which assistance is committed under the Contract to eligible families, one or more units may be leased to ineligible families with the prior approval of the contract administrator in accordance with HUD guidelines. Failure on the part of the owner to comply with these requirements is a violation of the Contract and grounds for all available legal remedies, including specific performance of the Contract, suspension or debarment from HUD programs, and reduction of the number of units under the Contract as set forth in paragraph (b) of this section.

(b) *Reduction of number of units covered by Contract—(1) Part 880 and 24 CFR part 881 projects.* HUD (or the PHA at the direction of HUD, as appropriate) may reduce the number of units covered by the Contract to the number of units available for occupancy by eligible families if:

(i) The owner fails to comply with the requirements of paragraph (a) of this section; or

(ii) Notwithstanding any prior approval by the contract administrator to lease such units to ineligible families, HUD (or the PHA at the direction of HUD, as appropriate) determines that the inability to lease units to eligible families is not a temporary problem.

(2) *For 24 CFR part 883 projects.* HUD and the Agency may reduce the number of units covered by the Contract to

the number of units available for occupancy by eligible families if:

(i) The owner fails to comply with the requirements of paragraph (a) of this section; or

(ii) Notwithstanding any prior approval by the Agency to lease such units to ineligible families, HUD and the Agency determine that the inability to lease units to eligible families is not a temporary problem.

(c) *Restoration.* For this part 880 and 24 CFR part 881 projects, HUD will agree to an amendment of the ACC or the Contract, as appropriate, to provide for subsequent restoration of any reduction made pursuant to paragraph (b) of this section, and for 24 CFR part 883 projects, HUD will agree to an amendment of the ACC and the Agency may agree to an amendment to the Contract to provide for subsequent restoration of any reduction made pursuant to paragraph (b) of this section, if:

(1) HUD determines (for 24 CFR part 883 projects, HUD and the Agency determine) that the restoration is justified by demand,

(2) The owner otherwise has a record of compliance with his obligations under the Contract, and

(3) Contract and budget authority is available.

(d) *Applicability.* In accordance with section 555 of the Cranston-Gonzalez National Affordable Housing Act of 1990, paragraphs (a) and (b) of this section apply to all Contracts. An owner who had leased an assisted unit to an ineligible family consistent with the regulations in effect at the time will continue to lease the unit to that family. However, the owner must make the unit available for occupancy by an eligible family when the ineligible family vacates the unit.

(e) *Termination of assistance for failure to submit evidence of citizenship or eligible immigration status.* If an owner who is subject to paragraphs (a) and (b) of this section is required to terminate housing assistance payments for the family in accordance with 24 CFR part 5 because the owner determines that the entire family does not have U.S. citizenship or eligible immigration status, the owner may allow continued occupancy of the unit by the family without Section 8 assistance following the

§ 880.505

24 CFR Ch. VIII (4-1-06 Edition)

termination of assistance, or if the family constitutes a mixed family, as defined in 24 CFR part 5, the owner shall comply with the provisions of 24 CFR part 5 concerning assistance to mixed families, and deferral of termination of assistance.

§ 880.505 Contract administration and conversions.

(a) *Contract administration.* For private-owner/PHA projects, the PHA is primarily responsible for administration of the Contract, subject to review and audit by HUD. For private-owner/ HUD and PHA-owner/ HUD projects, HUD is responsible for administration of the Contract. The PHA or HUD may contract with another entity for the performance of some or all of its contract administration functions.

(b) *PHA fee for Contract administration.* A PHA will be entitled to a reasonable fee, determined by HUD, for administering a Contract except under certain circumstances (see 24 CFR part 883) where a state housing finance agency is the PHA and finances the project.

(c) *Conversion of Projects from one Ownership/Contractual arrangement to another.* Any project may be converted from one ownership/contractual arrangement to another (for example, from a private-owner/ HUD to a private-owner/ PHA project) if:

(1) The owner, the PHA and HUD agree,

(2) HUD determines that conversion would be in the best interest of the project, and

(3) In the case of conversion from a private-owner/ HUD to a private-owner/ PHA project, contract authority is available to cover the PHA fee for administering the Contract.

§ 880.506 Default by owner (private-owner/ HUD and PHA-owner/ HUD projects).

The Contract will provide:

(a) That if HUD determines that the owner is in default under the Contract, HUD will notify the owner and the

lender of the actions required to be taken to cure the default and of the remedies to be applied by HUD including specific performance under the Contract, reduction or suspension of housing assistance payments and recovery of overpayments, where appropriate; and

(b) That if the owner fails to cure the default, HUD has the right to terminate the Contract or to take other corrective action.

§ 880.507 Default by PHA and/or owner (private-owner/ PHA projects).

(a) *Rights of Owner if PHA defaults under Agreement or Contract.* The ACC, the Agreement and the Contract will provide that, in the event of failure of the PHA to comply with the Agreement or Contract with the owner, the owner will have the right, if he is not in default, to demand that HUD investigate. HUD will first give the PHA a reasonable opportunity to take corrective action. If HUD determines that a substantial default exists, HUD will assume the PHA's rights and obligations under the Agreement or Contract and meet the obligations of the PHA under the Agreement or Contract including the obligations to enter into the Contract.

(b) *Rights of HUD if PHA defaults under ACC.* The ACC will provide that, if the PHA fails to comply with any of its obligations, HUD may determine that there is a substantial default and require the PHA to assign to HUD all of its rights and interests under the Contract; however, HUD will continue to pay annual contributions in accordance with the terms of the ACC and the Contract. Before determining that a PHA is in substantial default, HUD will give the PHA a reasonable opportunity to take corrective action.

(c) *Rights of PHA and HUD if Owner defaults under Contract.* (1) The Contract will provide that if the PHA determines that the owner is in default under the Contract, the PHA will notify the owner and lender, with a copy to HUD, (i) of the actions required to be taken to cure the default, (ii) of the remedies to be applied by the PHA including specific performance under the
