

§ 884.217 Maintenance, operation and inspections.

(a) *Maintenance and operation.* The Owner shall maintain and operate the project so as to provide Decent, Safe, and Sanitary housing and he shall provide all the services, maintenance and utilities which he agrees to provide under the Contract, subject to abatement of housing assistance payments or other applicable remedies if he fails to meet these obligations.

(b) *Inspection prior to occupancy.* Prior to occupancy of any unit by a Family, the Owner and the Family shall inspect the unit and both shall certify, on forms prescribed by HUD, that they have inspected the unit and have determined it to be Decent, Safe, and Sanitary in accordance with the criteria provided in the prescribed forms. Copies of these reports shall be kept on file by the Owner for at least three years.

(c) *Periodic inspections.* HUD (or the PHA, as appropriate) will inspect or cause to be inspected each Contract unit and related facilities at least annually and at such other times (including prior to initial occupancy and re-renting of any unit) as HUD (or the PHA) may determine to be necessary to assure that the Owner is meeting his obligation to maintain the units in Decent, Safe, and Sanitary condition and to provide the agreed upon utilities and other services. HUD (or the PHA) will take into account complaints by occupants and any other information coming to its attention in scheduling inspections and shall notify the Owner and the Family of its determination.

(d) *Units not decent, safe, and sanitary.* If HUD (or the PHA, as appropriate) notifies the Owner that he has failed to maintain a dwelling unit in Decent, Safe, and Sanitary condition and the Owner fails to take corrective action within the time prescribed in the notice, HUD (or the PHA) may exercise any of its rights or remedies under the Contract, including abatement of housing assistance payments, even if the Family continues to occupy the unit. If, however, the Family wishes to be rehoused in another dwelling unit with Section 8 assistance and HUD (or the PHA) does not have other Section 8 funds for such purposes, HUD (or the PHA) may use the abated housing as-

sistance payments for the purpose of rehousing the Family in another dwelling unit. Where this is done, the Owner shall be notified that he will be entitled to resumption of housing assistance payments for the vacated dwelling unit if:

(1) The unit is restored to Decent, Safe, and Sanitary condition;

(2) The Family is willing to and does move back to the restored dwelling unit; and

(3) A deduction is made for the expenses incurred by the Family for both moves.

§ 884.218 Reexamination of family income and composition.

(a) *Regular reexaminations.* The owner must reexamine the income and composition of all families at least once each year. Upon verification of the information, the owner must make appropriate adjustments in the Total Tenant Payment in accordance with part 5 of this title and determine whether the family's unit size is still appropriate. For requirements regarding the signing and submitting of consent forms by families for the obtaining of wage and claim information from State Wage Information Collection Agencies, see 24 CFR part 5. At the first regular reexamination after June 19, 1995, the owner shall follow the requirements of 24 CFR part 5 concerning obtaining and processing evidence of citizenship or eligible immigration status of all family members. Thereafter, at each regular reexamination, the owner shall follow the requirements of 24 CFR part 5 concerning verification of the immigration status of any new family member.
