

PHA is entitled pursuant to § 990.114 of this title.

(d) The PHA may apply for tenant-based assistance in accordance with Section 8 program requirements, and HUD will give the PHA a priority for receiving tenant-based assistance to replace the public housing units. It is HUD's policy to provide funds for one-for-one replacement housing with either public housing or tenant-based assistance, if funds are available. HUD may require that funding for the initial year be provided from the public housing Capital Fund, Operating Fund, or both.

§ 972.112 Relationship between required conversion and demolition/disposition requirements.

(a) Section 18 of the United States Housing Act of 1937 does not apply to demolition of developments removed from the inventory of the PHA under this subpart. Demolition of these developments is therefore not subject to section 18(g), which provides an exclusion from the applicability of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601) (URA). Accordingly, the URA will apply to the displacement of tenants as the direct result of the demolition of a development carried out pursuant to this subpart, in accordance with § 972.118. With respect to any such demolition, the PHA must comply with the requirements for environmental review found at part 58 of this title.

(b) Section 18 of the United States Housing Act of 1937 does apply to any disposition of developments removed from the inventory of the PHA under this subpart. Therefore, to dispose of property, the PHA must submit a disposition application under section 18. HUD's review of any such disposition application will take into account that the development has been required to be converted.

§ 972.115 Relationship between required conversions and HOPE VI developments.

HUD actions to approve or deny proposed HOPE VI revitalization plans must be consistent with the requirements of this subpart. Developments with HOPE VI revitalization grants,

but without approved HOPE VI revitalization plans, are fully subject to required conversion standards under this subpart.

§ 972.118 Applicability of Uniform Relocation Act.

To the extent that tenants are displaced as a direct result of the demolition, acquisition, or rehabilitation of federally-assisted property converted pursuant to this subpart, the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601) (URA), and the implementing regulations issued by the Department of Transportation at 49 CFR part 24, apply.

IDENTIFYING DEVELOPMENTS SUBJECT TO REQUIRED CONVERSION

§ 972.121 Developments subject to this subpart.

(a) This subpart is applicable to any development not identified before October 21, 1998, for conversion, or for assessment of whether such conversion is required, in accordance with section 202 of the Omnibus Consolidated Rescissions and Appropriations Act of 1996 (Pub. L. 104-134, approved April 26, 1996, 110 Stat. 1321-279-1321-281). Developments identified before October 21, 1998, continue to be subject to the requirements of section 202 and part 971 of this chapter until these requirements are satisfied. Thereafter, the provisions of this subpart apply to any remaining public housing on the sites of those developments.

(b) The developments to which this subpart is applicable are subject to the requirements of section 33 of the United States Housing Act of 1937 (42 U.S.C. 1437z-5).

(c) The provisions of this subpart cease to apply when the units in a development that are subject to the requirements of this subpart have been demolished.

§ 972.124 Standards for identifying public housing developments subject to required conversion.

The development, or portions thereof, must be converted if it is a general occupancy development of 250 or more
