

Notice of Relocation Eligibility or Notice of Non-displacement (as applicable) as of the date HUD approves the conversion plan (for purposes of this subpart, the date of HUD's approval of the conversion plan shall be the "date of initiation of negotiations" as that term is used in URA and the implementing regulations at 49 CFR part 24); and

(v) Any family that moves into the development after submission of the conversion plan to HUD will also be eligible for relocation assistance, unless the PHA issues a written move-in notice to the family prior to leasing and occupancy of the unit advising the family of the development's possible conversion, the impact of the conversion on the family, and that the family will not be eligible for relocation assistance.

(c) The conversion plan may not be more than a 5-year plan, unless the PHA applies for and receives approval from HUD for a longer period of time. HUD may allow the PHA up to 10 years to remove the units from the inventory, in exceptional circumstances where HUD determines that this is clearly the most cost effective and beneficial means of providing housing assistance over that same period. For example, HUD may allow a longer period of time to remove the units from the public housing inventory, where more than one development is being converted, and a larger number of families require relocation than can easily be absorbed into the rental market at one time, provided the housing has a remaining useful life of longer than five years and the longer time frame will assist in relocation.

**§ 972.133 Public and resident consultation process for developing a conversion plan.**

(a) The PHA must consult with appropriate public officials and with the appropriate public housing residents in developing the conversion plan.

(b) The PHA may satisfy the requirement for consultation with public officials by obtaining a certification from the appropriate government official that the conversion plan is consistent with the applicable Consolidated Plan. This may be the same certification as

is required for the PHA Annual Plan that includes the conversion plan, so long as the certification specifically addresses the conversion plan.

(c) To satisfy the requirement for consultation with the appropriate public housing residents, in addition to the public participation requirements for the PHA Annual Plan, the PHA must:

(1) Hold at least one meeting with the residents of the affected sites (including the duly elected Resident Council, if any, that covers the development in question) at which the PHA must:

(i) Explain the requirements of this section, especially as they apply to the residents of the affected developments; and

(ii) Provide draft copies of the conversion plan to the residents;

(2) Provide a reasonable comment period for residents; and

(3) Summarize the resident comments for HUD, in the conversion plan, and consider these comments in developing the final conversion plan.

**§ 972.136 Timing of submission of conversion plans to HUD.**

The requirements of this section are on-going requirements. If the PHA must submit a plan for conversion, it must submit the conversion plan as part of the PHA's Annual Plan, beginning with PHA fiscal years that commence six months after the effective date of HUD's final rule establishing the cost methodology for required conversions.

**HUD ACTIONS WITH RESPECT TO  
REQUIRED CONVERSIONS**

**§ 972.139 HUD actions with respect to required conversions.**

(a) HUD will take appropriate steps to ensure that distressed developments subject to this subpart are properly identified and converted. If a PHA fails to properly identify a development for required conversion, or does not submit a conversion plan for a development in the PHA Annual Plan following the Annual Plan in which the development was identified as subject to required conversion, HUD will take the actions described in paragraph (b) of this section, and may also take any or all of
