

(i) Appropriate because removal of the development would meet the necessary conditions for voluntary conversion described in § 972.224; or

(ii) Inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion described § 972.224.

(c) *Documentation.* A PHA must maintain documentation of the reasoning with respect to each required initial assessment.

(d) *Timing of submission.* Consistent with statutory submission requirements, the results of each required initial assessment (consisting of the certification described in paragraph (b) of this section) must be submitted to HUD as part of the next PHA Annual Plan after its completion.

VOLUNTARY CONVERSION PROCEDURE

§ 972.209 Procedure for voluntary conversion of public housing developments to tenant-based assistance.

A PHA that wishes to convert a public housing development to tenant-based assistance must comply with the following process:

(a) The PHA must perform a conversion assessment, in accordance with §§ 972.218–972.224 and submit it to HUD as part of the next PHA Annual Plan submission.

(b) The PHA must prepare a conversion plan, in accordance with § 972.227–972.233, and submit it to HUD, as part of its PHA Annual Plan, within one year after submitting the conversion assessment. The PHA may submit the conversion plan in the same Annual Plan as the conversion assessment.

(c) The PHA may proceed to convert the development if HUD approves the conversion plan.

§ 972.212 Timing of voluntary conversion.

(a) A PHA may proceed to convert a development covered by a conversion plan only after receiving written approval of the conversion plan from HUD. This approval will be separate from the approval that the PHA receives for its PHA Annual Plan. A PHA may apply for tenant-based assistance in accordance with Section 8 program requirements and will be given priority

for receiving tenant-based assistance to replace the public housing units.

(b) A PHA may not demolish or dispose of units or property until completion of the required environmental review under part 58 of this title (if a Responsible Entity has assumed environmental responsibility for the project) or part 50 of this title (if HUD is performing the environmental review). Further, HUD will not approve a conversion plan until completion of the required environmental review. However, before completion of the environmental review, HUD may approve the targeted units for deprogramming and may authorize the PHA to undertake other activities proposed in the conversion plan that do not require environmental review (such as certain activities related to the relocation of residents), as long as the buildings in question are adequately secured and maintained.

(c) For purposes of determining operating subsidy eligibility, the submitted conversion plan will be considered the equivalent of a formal request to remove dwelling units from the PHA's inventory and Annual Contributions Contract (ACC). Units that are vacant or are vacated on or after the written notification date will be treated as approved for deprogramming under § 990.108(b)(1) of this title, and will also be provided the phase down of subsidy pursuant to § 990.114 of this title.

(d) HUD may require that funding for the initial year of tenant-based assistance be provided from the public housing Capital Fund, Operating Fund, or both.

§ 972.215 Applicability of the Uniform Relocation Act.

To the extent that tenants are displaced as a direct result of the demolition, acquisition, or rehabilitation of federally-assisted property converted under this subpart, the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601) (URA), and the implementing regulations issued by the Department of Transportation at 49 CFR part 24, apply.
