

Office of the Assistant Secretary, HUD

§ 985.3

the family self-sufficiency program (FSS) (24 CFR part 984).

[63 FR 48555, Sept. 10, 1998, as amended at 64 FR 40497, July 26, 1999]

§ 985.2 Definitions.

(a) The terms *Department*, *Fair Market Rent*, *HUD*, *Secretary*, and *Section 8*, as used in this part, are defined in 24 CFR 5.100.

(b) The definitions in 24 CFR 982.4 apply to this part. As used in this part:

Confirmatory review means an on site review performed by HUD to verify the management performance of an PHA.

Corrective action plan means a HUD-required written plan that addresses PHA program management deficiencies or findings identified by HUD through remote monitoring or on-site review, and that will bring the PHA to an acceptable level of performance.

MTCS means Multifamily Tenant Characteristics System. MTCS is the Department's national database on participants and rental units in the Section 8 rental certificate, rental voucher, and moderate rehabilitation programs and in the Public and Indian Housing programs.

PHA means a Housing Agency.

PHA's quality control sample means an annual sample of files or records drawn in an unbiased manner and reviewed by an PHA supervisor (or by another qualified person other than the person who performed the original work) to determine if the work documented in the files or records conforms to program requirements. The minimum size of the PHA's quality control sample is as follows:

Universe	Minimum number of files or records to be sampled
50 or less	5.
51-600	5 plus 1 for each 50 (or part of 50) over 50.
601-2000	16 plus 1 for each 100 (or part of 100) over 600.
Over 2000	30 plus 1 for each 200 (or part of 200) over 2000.

Where the universe is: the number of admissions in the last year for each of the two quality control samples under the SEMAP indicator at §985.3(a) Selection from the Waiting List; the number of families assisted for the SEMAP indicators at §985.3(b) Reasonable Rent, and §985.3(c) Determination of Adjusted Income; the number of

units under HAP contract during the last completed PHA fiscal year for the SEMAP indicator at §985.3(e) HQS Quality Control Inspections; and the number of failed HQS inspections in the last year for the SEMAP indicator at §985.3(f) HQS Enforcement.

Performance indicator means a standard set for a key area of Section 8 program management against which the PHA's performance is measured to show whether the PHA administers the program properly and effectively. (See §985.3.)

SEMAP certification means the PHA's annual certification to HUD, on the form prescribed by HUD, concerning its performance in key Section 8 program areas.

SEMAP deficiency means any rating of 0 points on a SEMAP performance indicator.

SEMAP profile means a summary prepared by HUD of an PHA's ratings on each SEMAP indicator, its overall SEMAP score, and its overall performance rating (high performer, standard, troubled).

[63 FR 48555, Sept. 10, 1998, as amended at 64 FR 40497, July 26, 1999]

§ 985.3 Indicators, HUD verification methods and ratings.

This section states the performance indicators that are used to assess PHA Section 8 management. HUD will use the verification method identified for each indicator in reviewing the accuracy of an PHA's annual SEMAP certification. HUD will prepare a SEMAP profile for each PHA and will assign a rating for each indicator as shown. If the HUD verification method for the indicator relies on data in MTCS and HUD determines those data are insufficient to verify the PHA's certification on the indicator due to the PHA's failure to adequately report family data, HUD will assign a zero rating for the indicator. The method for selecting the PHA's quality control sample under paragraphs (a), (b), (c) and (f) of this section must leave a clear audit trail that can be used to verify that the PHA's quality control sample was drawn in an unbiased manner.

An PHA that expends less than \$300,000 in Federal awards and whose Section 8 programs are not audited by
