

## Department of Energy

## § 1015.205

(2) DOE shall comply with offset requests by creditor agencies to collect debts owed to the United States, unless the offset would not be in the best interest of the United States with respect to the program of DOE, or would otherwise be contrary to law. Appropriate use will be made of the cooperative efforts of other agencies in effecting collection by administrative offset.

(3) When collecting multiple debts by non-centralized administrative offset, DOE generally will apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, particularly the applicable statute of limitations.

(d) *Requests to OPM to offset a debtor's anticipated or future benefit payments under the Civil Service Retirement and Disability Fund.* Upon providing OPM written certification that a debtor has been afforded the procedures provided in paragraph (b)(4) of this section, DOE may request OPM to offset a debtor's anticipated or future benefit payments under the Civil Service Retirement and Disability Fund (Fund) in accordance with regulations codified at 5 CFR 831.1801–831.1808. Upon receipt of such a request, OPM will identify and “flag” a debtor's account in anticipation of the time when the debtor requests, or becomes eligible to receive, payments from the Fund. This will satisfy any requirement that offset be initiated prior to the expiration of the time limitations referenced in paragraph (a)(4) of this section.

(e) *Review requirements.* (1) For purposes of this section, whenever DOE is required to afford a debtor a review within the agency, DOE shall provide the debtor with a reasonable opportunity for an oral hearing when the debtor requests reconsideration of the debt and DOE determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity.

(2) Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary hearing, although DOE will carefully

document all significant matters discussed at the hearing.

(3) This section does not require an oral hearing with respect to debt collection systems in which a determination of indebtedness rarely involves issues of credibility or veracity and DOE has determined that review of the written record is ordinarily an adequate means to correct prior mistakes.

(4) In those cases when an oral hearing is not required by this section, DOE will accord the debtor a “paper hearing,” that is, a determination of the request for reconsideration based upon a review of the written record.

### § 1015.204 Reporting debts.

(a) DOE may disclose delinquent debts to consumer reporting agencies in accordance with 31 U.S.C. 3711(e), the DCIA, the revised Federal Claims Collection Standards (31 CFR parts 900–904) published November 22, 2000, and other applicable authorities. DOE will ensure that all of the rights and protections afforded to the debtor under 31 U.S.C. 3711(e) have been fulfilled. Additional guidance is contained in Treasury's “Guide to the Federal Credit Bureau Program,” revised October 2001.

(b) As described in §1015.201(e), under the DCIA (31 U.S.C. 3711(g)), DOE is required to transfer all debts over 180 days delinquent to Treasury for purposes of debt collection (*i.e.*, cross-servicing). As part of its regular debt collection procedures, Treasury will report debts it is collecting to the appropriate designated credit reporting agencies on behalf of DOE. A debt not transferred to Treasury for purposes of debt collection, however, may be subject to the DCIA requirement to report all non-tax delinquent consumer debts to credit reporting agencies.

### § 1015.205 Credit reports.

(a) In order to aid DOE in making appropriate determinations as to the collection and compromise of claims; the collection of interest, penalties, and administrative costs; and the likelihood of collecting the claim, DOE may institute a credit investigation of the debtor at any time following receipt of knowledge of the claim.

## § 1015.206

## 10 CFR Ch. X (1–1–06 Edition)

(b) As described in §1015.201(e), under the DCIA (31 U.S.C. 3711(g)), DOE is required to transfer all debts over 180 days delinquent to Treasury for purposes of debt collection (*i.e.*, cross-servicing). As part of its regular debt collection procedures, Treasury may also institute a credit investigation of the debtor on behalf of DOE.

### **§ 1015.206 Contracting with private collection contractors and with entities that locate and recover unclaimed assets.**

(a) DOE may contract with private collection contractors in accordance with 31 U.S.C. 3718(d), the DCIA, the revised Federal Claims Collection Standards (31 CFR parts 900–904) published November 22, 2000, and other applicable authorities.

(b) As described in §1015.201(e), under the DCIA, DOE is required to transfer all debts over 180 days delinquent to Treasury for purposes of debt collection (*i.e.*, cross-servicing) under 31 U.S.C. 3711(g). As part of its regular debt collection procedures, Treasury may refer delinquent debts to private collection contractors on behalf of DOE.

(c) DOE may enter into contracts for locating and recovering assets of the United States, such as unclaimed assets. DOE must establish procedures acceptable to Treasury before entering into contracts to recover assets of the United States held by a state government or a financial institution.

(d) DOE may enter into contracts for debtor asset and income search reports. In accordance with 31 U.S.C. 3718(d), such contracts may provide that the fee a contractor charges DOE for such services may be payable from the amounts recovered, unless otherwise prohibited by statute.

### **§ 1015.207 Suspension or revocation of eligibility for loans and loan guarantees, licenses, permits, or privileges.**

(a) Unless waived by the Secretary of DOE or his designee, DOE may not extend financial assistance in the form of a loan, loan guarantee, or loan insurance to any person who DOE knows to be delinquent on a non-tax debt owed to a Federal agency. This prohibition does not apply to disaster loans. The

authority to waive the application of this section may be delegated to the Chief Financial Officer and redelegated only to the Deputy Chief Financial Officer of DOE. DOE may extend credit after the delinquency has been resolved. See 31 CFR 285.13 (Barring Delinquent Debtors From Obtaining Federal Loans or Loan Insurance or Guarantees).

(b) In non-bankruptcy cases, DOE offices seeking the collection of statutory penalties, forfeitures, or other types of claims should consider the suspension or revocation of licenses, permits, or other privileges for any inexcusable or willful failure of a debtor to pay such a debt in accordance with DOE's regulations or governing procedures. The debtor should be advised in DOE's written demand for payment of DOE's ability to suspend or revoke licenses, permits, or privileges. Any DOE office making, guaranteeing, insuring, acquiring, or participating in loans should consider suspending or disqualifying any lender, contractor, or broker from doing further business with DOE or engaging in programs sponsored by DOE if such lender, contractor, or broker fails to pay its debts to the Government within a reasonable time or if such lender, contractor, or broker has been suspended, debarred, or disqualified from participation in a program or activity by another Federal agency. The failure of any surety to honor its obligations in accordance with 31 U.S.C. 9305 should be reported to Treasury. Treasury will forward to all interested agencies notification that a surety's certificate of authority to do business with the Government has been revoked by Treasury.

(c) The suspension or revocation of licenses, permits, or privileges also should extend to Federal programs or activities that are administered by the states on behalf of the Federal Government, to the extent that they affect the Federal Government's ability to collect money or funds owed by debtors. Therefore, states that manage Federal activities, pursuant to approval from DOE, should ensure that appropriate steps are taken to safeguard against issuing licenses, permits, or privileges to debtors who fail to pay their debts to the Federal Government.
