

§216.7

The denial of relief requested in a petition for reconsideration is a final administrative decision.

[43 FR 6212, Feb. 14, 1978, as amended at 51 FR 8312, Mar. 11, 1986]

§216.7 Conflict in priority orders.

If it appears that the use of assistance pursuant to DPA section 101(c) creates or threatens to create a conflict with priorities and allocation support provided in connection with the national defense pursuant to DPA section 101(a), DOE will work with the DOC and other claimant agencies affected by such conflict in an attempt to reschedule deliveries or otherwise accommodate such competing demands. If acceptable solutions cannot be agreed upon by the claimant agencies the FEMA will resolve such conflicts.

[43 FR 6212, Feb. 14, 1978, as amended at 51 FR 8312, Mar. 11, 1986]

§216.8 Communications.

All written communications concerning these regulations shall be addressed to:

Department of Energy, Procurement and Assistance Management Directorate, Attn: MA-422, Forrestal Building, 1000 Independence Avenue, SW., Washington, DC 20585.

[43 FR 6212, Feb. 14, 1978, as amended at 51 FR 8312, Mar. 11, 1986]

§216.9 Violations.

Any person who willfully furnishes false information or conceals any material fact in the course of the application process or in a petition for reconsideration is guilty of a crime, and upon conviction may be punished by fine or imprisonment or both.

Subpart A—General Provisions

§218.1 Purpose and scope.

(a) This part implements section 251 of the Energy Policy and Conservation Act (Pub. L. 94-163) (42 U.S.C. 6271), as amended, which authorizes the President to take such action as he determines to be necessary for performance of the obligations of the United States under chapters III and IV of the Agreement on an International Energy Program (TIAS 8278), insofar as such obligations relate to the mandatory international allocation of oil by International Energy Program participating countries.

(b) *Applicability.* This part applies to any firm engaged in producing, transporting, refining, distributing or storing oil which is subject to the jurisdiction of the United States.

§218.2 Activation/Deactivation.

(a) This rule shall take effect providing:

- (1) The International Energy Program has been activated; and,
- (2) The President has transmitted this rule to Congress, has found putting such rule into effect is required in order to fulfill obligations of the United States under the International Energy Program and has transmitted such a finding to the Congress together

Department of Energy

§ 218.10

with a statement of the effective date and manner for exercise of such rule.

(b) This rule shall revert to standby status no later than 60 days after the deactivation of the emergency allocation system activated to implement the International Energy Program.

§ 218.3 Definitions.

DOE means the Department of Energy established by the Department of Energy Organization Act (Pub. L. 95-91), and includes the Secretary of Energy or his delegate.

EPCA means the Energy Policy and Conservation Act (Pub. L. 94-163), as amended.

Firm means any association, company, corporation, estate, individual, joint-venture, partnership, or sole proprietorship or any other entity however organized including charitable, educational, or other eleemosynary institutions, and the Federal Government including corporations, departments, Federal agencies, and other instrumentalities, and State and local governments. The ERA may, in regulations and forms issued in this part, treat as a firm: (a) A parent and the consolidated and unconsolidated entities (if any) which it directly or indirectly controls, (b) a parent and its consolidated entities, (c) an unconsolidated entity, or (d) any part of a firm.

IEA means the International Energy Agency established to implement the IEP.

IEP means the International Energy Program established pursuant to the Agreement on an International Energy Program signed at Paris, France, on November 18, 1974, including (a) the Annex entitled "Emergency Reserves", (b) any amendment to such Agreement that includes another nation as a Party to such Agreement, and (c) any technical or clerical amendment to such Agreement.

International energy supply emergency means any period (a) beginning on any date that the President determines allocation of petroleum products to nations participating in the IEP is required by chapters III and IV of the IEP and (b) ending on a date on which he determines such allocation is no longer required.

Oil means crude oil, residual fuel oil, unfinished oil, refined petroleum product and natural gas liquids, which is owned or controlled by a firm, including any petroleum product destined, directly or indirectly, for import into the United States or any foreign country, or produced in the United States but excludes any oil stored in or owned and controlled by the United States Government in connection with the Strategic Petroleum Reserve authorized in section 151, *et seq.*, of the Energy Policy and Conservation Act (Pub. L. 94-163).

Person means any individual, firm, estate, trust, sole proprietorship, partnership, association, company, joint-venture, corporation, governmental unit or instrumentality thereof, or a charitable, educational or other institution, and includes any officer, director, owner or duly authorized representative thereof.

Supply order means a written directive or a verbal communication of a written directive, if promptly confirmed in writing, issued by the DOE pursuant to subpart B of this part.

United States when used in the geographic sense means the several States, the District of Columbia, Puerto Rico, and the territories and possessions of the United States, and the outer continental shelf as defined in 43 U.S.C. 1331.

Subpart B—Supply Orders

§ 218.10 Rule.

(a) Upon the determination by the President that an international energy supply emergency exists, firms engaged in producing, transporting, refining, distributing, or storing oil shall take such actions as are determined by the DOE to be necessary for implementation of the obligations of the United States under chapters III and IV of the IEP that relate to the mandatory international allocation of oil by IEP participating countries.

(b) Any actions required in accordance with paragraph (a) of this section shall be stated in supply orders issued by DOE.

(c) No firm to which a supply order is issued shall be required to comply with such order unless the firm to which the oil is to be provided in accordance with
