

Department of Energy

§ 501.101

(2) OFE shall publish any order granting or denying a petition under this subpart in the FEDERAL REGISTER together with a statement of the reasons for the grant or denial.

(c)(1) Any order granting or denying a petition for exemption shall be based upon consideration of the whole record or those parts thereof cited by a party and supported by, and in accordance with, reliable, probative and substantive evidence.

(2) The denial of a petition for exemption shall be without prejudice to the petitioner's right to submit an amended petition. OFE may, however, reject the amended petition if it is not materially different from the denied petition.

(d) OFE may design any terms and conditions included in any temporary exemption issued or extended under section 211 of FUA, to ensure, among other things, that upon expiration of the exemption the persons and powerplant covered by the exemption will comply with the applicable prohibitions under FUA. For purposes of the provision, the subsequent grant of a permanent exemption to the subject unit shall be deemed compliance with applicable prohibitions.

§ 501.69 Judicial review.

Any person aggrieved by any order issued by OFE under this subpart, must file, within sixty (60) days of publication of the final order in the FEDERAL REGISTER, a petition for judicial review in the United States Court of Appeals for the Circuit wherein he resides, or has his principal place of business. Subpart G—Requests for Modification or Rescission of a Rule or Order

§ 501.100 Purpose and scope.

(a) Anyone may request that OFE commence a rulemaking proceeding pursuant to 5 U.S.C. 553(e); however, this subpart provides the procedures to be followed by—

(1) An interested person seeking the modification or rescission of a prohibition by rule applicable to a new facility;

(2) An owner or operator of a facility named in a prohibition by rule requesting the modification or rescission of that rule; or

(3) An owner or operator subject to an exemption order or a specific prohibition imposed by order requesting the modification or a rescission of that order.

(b) OFE also may commence a modification or rescission proceeding on its own initiative.

§ 501.101 Proceedings to modify or rescind a rule or order.

(a) In response to a request duly filed by an interested person, OFE may commence a proceeding to modify or rescind a rule or order. If OFE determines that a request to modify or rescind a rule or order does not warrant commencement of a proceeding, it will deny the request and issue a brief statement of the reason(s) for the denial.

(b) A request for modification or rescission of a rule or order must comply with the requirements of § 501.7 and must be filed at the address set forth in § 501.11.

(c) Notice of the request for modification or rescission of an order must be given by the requester to each party to the original proceeding that resulted in the issuance of the original order for which modification or rescission is sought. If the number of parties to the original proceeding is too large to allow actual notice at a reasonable cost or within a reasonable time, a requester may ask that OFE give notice to the parties by publication in the FEDERAL REGISTER; however, this alternate notice does not bind OFE to
