

§ 1777.21

(i) Undercapitalized if the Enterprise is otherwise classified as adequately capitalized;

(ii) Significantly undercapitalized if the Enterprise is otherwise classified as undercapitalized; or

(iii) Critically undercapitalized if the Enterprise is otherwise classified as significantly undercapitalized.

(d) *Prior approvals.* In making a determination to reclassify an Enterprise under paragraph (a)(5) or (c)(5) of this section, OFHEO will not base its decision to reclassify solely on action or inaction that previously was given specific approval by the Director of OFHEO in connection with the Director's approval of the Enterprise's capital restoration plan under section 1369C of the 1992 Act (12 U.S.C. 4622), or of a written agreement with the Enterprise that is enforceable in accordance with section 1371 of the 1992 Act.

§ 1777.21 Notice of capital category, and adjustments.

(a) *Notice of capital classification.* OFHEO will classify each Enterprise according to the capital classifications in § 1777.20(a) or § 1777.20(c) on at least a quarterly basis. OFHEO may classify an Enterprise according to the capital classifications in § 1777.20(a) or § 1777.20(c), or reclassify an Enterprise as set out in § 1777.20(a)(5), § 1777.20(c)(5), § 1777.23(c), or § 1777.23(h), at such other times as OFHEO deems appropriate.

(1) *Notice of proposed capital classification.* (i) Before OFHEO classifies or reclassifies an Enterprise, OFHEO will provide the Enterprise with written notice containing the proposed capital classification, the information upon which the proposed classification is based, and the reason for the proposed classification.

(ii) Notices proposing to classify or reclassify an Enterprise as undercapitalized or significantly undercapitalized may be combined with a notice that OFHEO may further reclassify the Enterprise under § 1777.23(c), without additional notice.

(iii) Notices proposing to classify or reclassify an Enterprise as significantly undercapitalized or critically undercapitalized may be combined with a notice under § 1777.24 that

12 CFR Ch. XVII (1-1-06 Edition)

OFHEO intends to issue an order under section 1366 of the 1992 Act (12 U.S.C. 4616).

(iv) Notices proposing to classify an Enterprise as undercapitalized or significantly undercapitalized may be combined with a notice proposing to simultaneously reclassify the Enterprise under § 1777.20(a)(5) or § 1777.20(c)(5).

(2) *Response by the Enterprise.* The Enterprise may submit a response to OFHEO containing information for OFHEO's consideration in classifying or reclassifying the Enterprise.

(i) The Enterprise may, within thirty calendar days from receipt of a notice of proposed capital classification, submit a response to OFHEO, unless OFHEO determines the condition of the Enterprise requires a shorter period or the Enterprise consents to a shorter period.

(ii) The Enterprise's response period may be extended for up to an additional thirty calendar days if OFHEO determines there is good cause for such extension.

(iii) The Enterprise's failure to submit a response during the response period (as extended or shortened, if applicable) shall waive any right of the Enterprise to comment on or object to the proposed capital classification.

(3) *Classification determination and written notice of capital classification.* After the Enterprise has submitted its response under paragraph (a)(2) of this section or the response period (as extended or shortened, if applicable) has expired, whichever occurs first, OFHEO will make its determination of the Enterprise's capital classification, taking into consideration such relevant information as is provided by the Enterprise in its response, if any, under paragraph (a)(2) of this section. OFHEO will provide the Enterprise with a written notice of capital classification, which shall include a description of the basis for OFHEO's determination.

(4) *Timing.* OFHEO may, in its discretion, issue a notice of proposed capital classification to an Enterprise at any time. If a notice of proposed classification is pending (under the process set out in paragraphs (a)(1) through (3) of this section) at that time, OFHEO may, in its discretion, specify whether

Federal Housing Enterprise Oversight

§ 1777.23

the subsequent notice of proposed capital classification supersedes the pending notice.

(b) *Developments warranting possible change to capital classification*—(1) *Notice to OFHEO*. An Enterprise shall promptly provide OFHEO with written notice of any material development that would result in the Enterprise's core or total capital to fall to a point causing the Enterprise to be placed in a lower capital classification than the capital classification assigned to the Enterprise in its most recent notice of capital classification from OFHEO, or than is proposed to be assigned in the Enterprise's most recent notice of proposed capital classification from OFHEO. The Enterprise shall deliver such notice to OFHEO no later than ten calendar days after the Enterprise becomes aware of such development.

(2) OFHEO, in its discretion, will determine whether to issue a new notice of proposed capital classification under paragraph (a) of this section, based on OFHEO's review of the notice under paragraph (b)(1) of this section from the Enterprise and any other information deemed relevant by OFHEO.

§ 1777.22 Limitation on capital distributions.

(a) *Capital distributions in general*. An Enterprise shall make no capital distribution that would decrease the total capital of the Enterprise to an amount less than the risk-based capital level or the core capital of the Enterprise to an amount less than the minimum capital level without the prior written approval of OFHEO.

(b) *Capital distributions by an Enterprise that is not adequately capitalized*—

(1) *Prohibited distributions*. An Enterprise that is not classified as adequately capitalized shall make no capital distribution that would result in the Enterprise being classified into a lower capital classification than the one to which it is classified at the time of such distribution.

(2) *Restricted distributions*. An Enterprise classified as significantly or critically undercapitalized shall make no capital distribution without the prior written approval of OFHEO. OFHEO may grant a request for such a capital

distribution only if OFHEO determines, in its discretion, that the distribution:

(i) Will enhance the ability of the Enterprise to meet the risk-based capital level and the minimum capital level promptly;

(ii) Will contribute to the long-term financial safety and soundness of the Enterprise; or

(iii) Is otherwise in the public interest.

§ 1777.23 Capital restoration plans.

(a) *Schedule for filing plans*—(1) *In general*. An Enterprise shall file a capital restoration plan in writing with OFHEO within ten days of receiving a notice of capital classification under § 1777.21(a)(3) stating that the Enterprise is classified as undercapitalized, significantly undercapitalized, or critically undercapitalized, unless OFHEO in its discretion determines an extension of the ten-day period is necessary and provides the Enterprise with written notice of the date the plan is due.

(2) *Successive capital classifications*. Notwithstanding paragraph (a)(1) of this section, an Enterprise that has already submitted and is operating under a capital restoration plan approved by OFHEO under this part is not required to submit an additional capital restoration plan based on a subsequent notice of capital classification, unless OFHEO notifies the Enterprise that it must submit a new or amended capital restoration plan. An Enterprise that receives such a notice to submit a new or amended capital restoration plan shall file in writing with OFHEO a complete plan that is responsive to the terms of and within the deadline specified in such notice.

(b) *Contents of capital restoration plan*. (1) The capital restoration plan submitted under paragraph (a)(1) or (2) of this section shall:

(i) Specify the level of capital the Enterprise will achieve and maintain;

(ii) Describe the actions that the Enterprise will take to become classified as adequately capitalized;

(iii) Establish a schedule for completing the actions set forth in the plan;

(iv) Specify the types and levels of activities (including existing and new
