

Such application shall be filed promptly after the first report of condition that reflects the increase or decrease occasioning the adjustment. In addition, every member bank that is a mutual savings bank shall file an application for issue or cancellation of Reserve Bank capital stock if needed in order to adjust its Reserve Bank capital stock subscription to equal six-tenths of 1 percent of its total deposit liabilities as shown on its report of condition as of December 31 of each year promptly after filing such report. A mutual savings bank that is applying for or has a deposit with the appropriate Reserve Bank in lieu of Reserve Bank capital stock shall file for acceptance or adjustment of its deposit in a like manner.

(d) *Payment for subscriptions.* Upon approval by the Reserve Bank of an application for capital stock (or for a deposit in lieu thereof), the applying bank shall pay the Reserve Bank one-half of the subscription amount plus accrued dividends. For purposes of this part, dividends shall accrue at the rate of one half of one percent per month calculated on the basis of a 360-day year of twelve 30-day months. Upon payment (and in the case of a national banks in organization or state non-member bank converting into a national bank, upon authorization or approval by the Comptroller of the Currency), the Reserve Bank shall issue the appropriate number of shares by crediting the bank with the appropriate number of shares on its books. In the case of a mutual savings bank not authorized to purchase Reserve Bank stock, the Reserve Bank will accept the deposit or addition to the deposit in place of issuing shares. The remaining half of the subscription or additional subscription (including subscriptions for deposits or additions to deposits) shall be subject to call by the Board.

(e) *Payment for cancellations.* (1) Upon approval of an application for cancellation of Reserve Bank capital stock, or (in the case of involuntary termination of membership) upon the effective date of cancellation specified in §209.3(c)(3), the Reserve Bank shall reduce the bank's shareholding on the Reserve Bank's books by the number of shares

required to be canceled and shall pay therefor a sum equal to the cash subscription paid on the canceled stock plus accrued dividends (at the rate specified in paragraph (d) of this section), such sum not to exceed the book value of the stock.⁵

(2) In the case of any cancellation of Reserve Bank stock under this Part, the Reserve Bank may first apply such sum to any liability of the bank to the Reserve Bank and pay over the remainder to the bank (or receiver or conservator, as appropriate).

§209.5 The share register.

(a) *Electronic or written record.* A member bank's holding of Reserve Bank capital stock shall be represented by one (or at the option of the Reserve Bank, more than one) notation on the Reserve Bank's books. Such books may be electronic or in writing. Upon any issue or cancellation of Reserve Bank capital stock, the Reserve Bank shall record the member bank's new share position in its books (or eliminate the bank's share position from its books, as the case may be).

(b) *Certification.* A Reserve Bank may certify on request as to the number of shares held by a member bank and purchased before March 28, 1942, or as to the purchase and cancellation dates and prices of shares cancelled, as the case may be.
