

which requires insured depository institutions that are not adequately capitalized to receive approval prior to engaging in certain activities. Section 38 restricts or prohibits certain activities and requires an insured depository institution to submit a capital restoration plan when it becomes undercapitalized. The restrictions and prohibitions become more severe as an institution's capital level declines.

(2) Definitions of the capital categories referenced in this Prompt Corrective Action subpart may be found in subpart B of part 325 of this chapter, §325.103(b) for state nonmember banks and §325.103(c) for insured branches of foreign banks.

(b) *Institutions covered.* Restrictions and prohibitions contained in subpart B of part 325 of this chapter apply primarily to insured state nonmember banks and insured branches of foreign banks, as well as to directors and senior executive officers of those institutions. Portions of subpart B of part 325 of this chapter also apply to all insured depository institutions that are deemed to be critically undercapitalized.

#### § 303.201 Filing procedures.

Applications shall be filed with the appropriate FDIC office. The application shall contain the information specified in each respective section of this subpart, and shall be in letter form as prescribed in §303.3. Additional information may be requested by the FDIC. Such letter shall be signed by the president, senior officer or a duly authorized agent of the insured depository institution and be accompanied by a certified copy of a resolution adopted by the institution's board of directors or trustees authorizing the application.

#### § 303.202 Processing.

The FDIC will provide the applicant with a subsequent written notification of the final action taken as soon as the decision is rendered.

#### § 303.203 Applications for capital distributions.

(a) *Scope.* An insured state nonmember bank and any insured branch of a foreign bank shall submit an application for capital distribution if, after

having made a capital distribution, the institution would be undercapitalized, significantly undercapitalized, or critically undercapitalized.

(b) *Content of filing.* An application to repurchase, redeem, retire or otherwise acquire shares or ownership interests of the insured depository institution shall describe the proposal, the shares or obligations which are the subject thereof, and the additional shares or obligations of the institution which will be issued in at least an amount equivalent to the distribution. The application also shall explain how the proposal will reduce the institution's financial obligations or otherwise improve its financial condition. If the proposed action also requires an application under section 18(i) of the FDI Act (12 U.S.C. 1828(i)) as implemented by §303.241 of this part regarding prior consent to retire capital, such application should be filed concurrently with, or made a part of, the application filed pursuant to section 38 of the FDI Act (12 U.S.C. 1831o).

#### § 303.204 Applications for acquisitions, branching, and new lines of business.

(a) *Scope.* (1) Any insured state nonmember bank and any insured branch of a foreign bank which is undercapitalized or significantly undercapitalized, and any insured depository institution which is critically undercapitalized, shall submit an application to engage in acquisitions, branching or new lines of business.

(2) A new line of business will include any new activity exercised which, although it may be permissible, has not been exercised by the institution.

(b) *Content of filing.* Applications shall describe the proposal, state the date the institution's capital restoration plan was accepted by its primary federal regulator, describe the institution's status in implementing the plan, and explain how the proposed action is consistent with and will further the achievement of the plan or otherwise further the purposes of section 38 of the FDI Act. If the FDIC is not the applicant's primary federal regulator, the application also should state whether approval has been requested from the applicant's primary federal regulator,
