

(b) Approval of a proposal to merge a federal credit union into a federally-insured credit union requires the affirmative vote of a majority of the members of the merging credit union who vote on the proposal. If the continuing credit union is uninsured or nonfederally-insured, the voting requirements of subpart B apply. If the continuing credit union is nonfederally-insured, the merging credit union must use the form notice and ballot in subpart C of this part unless the Regional Director approves the use of different forms.

§ 708b.107 Certificate of vote on merger proposal.

The board of directors of the merging federal credit union must certify the results of the membership vote to the Regional Director within 10 days after the vote is taken. The certification must include the total number of members of record of the credit union, the number who voted on the merger, the number who voted in favor, and the number who voted against. If the continuing credit union is nonfederally-insured, the merging credit union must use the certification form in subpart C of this part unless the Regional Director approves the use of a different form.

§ 708b.108 Completion of merger.

(a) Upon approval of the merger proposal by the NCUA and by the state supervisory authority (where the continuing or merging credit union is a state credit union) and by the members of each credit union where required, the credit unions may complete the merger.

(b) Upon completion of the merger, the board of directors of the continuing credit union must certify the completion of the merger to the Regional Director within 30 days after the effective date of the merger.

(c) Upon the NCUA's receipt of certification that the merger has been completed, the NCUA will cancel the charter of the merging federal credit union (if applicable) and the insurance certificate of any merging federally-insured credit union.

Subpart B—Voluntary Termination or Conversion of Insured Status

§ 708b.201 Termination of insurance.

(a) A state credit union may terminate federal insurance, if permitted by state law, either on its own or by merging into an uninsured credit union.

(b) A federal credit union may terminate federal insurance only by merging into, or converting its charter to, an uninsured state credit union.

(c) A majority of the credit union's members must approve a termination of insurance by affirmative vote. The credit union must use an independent entity to collect and tally the votes and certify the results for all terminations, including terminations that involve a merger or charter conversion. The vote must be taken by secret ballot, meaning that no credit union employee or official can determine how a particular member voted.

(d) Termination of federal insurance requires the NCUA's prior written approval. A credit union must notify the NCUA and request approval of the termination through the Regional Director in writing at least 90 days before the proposed termination date and within one year after obtaining the membership vote. The notice to the NCUA must include:

(1) A written statement from the credit union that it "is aware of the requirements of 12 U.S.C. 1831t(b), including all notification and acknowledgment requirements;" and

(2) A certification of the member vote that must include the total number of members of record of the credit union, the number who voted in favor of the termination, and the number who voted against.

(e) The NCUA will approve or disapprove the termination in writing within 90 days after being notified by the credit union.

§ 708b.202 Notice to members of proposal to terminate insurance.

(a) When the board of directors of a federally-insured credit union adopts a resolution proposing to terminate federal insurance, including termination due to a merger or conversion of charter, it must provide its members with

§ 708b.203

12 CFR Ch. VII (1-1-06 Edition)

written notice of the proposal to terminate and of the date set for the membership vote. The first written communication following the resolution that is made by or on behalf of the credit union and that informs the members that the credit union will seek termination is the notice of the proposal to terminate. This notice must:

(1) Inform the members of the requirement for a membership vote and the date for the vote;

(2) Explain that the insurance provided by the NCUA is federal insurance and is backed by the full faith and credit of the United States government; and

(3) Include a conspicuous statement that if the termination or merger is approved, and the credit union, or the continuing credit union in the case of a merger, subsequently fails, the federal government does not guarantee the member will get his or her money back.

(b) The credit union must deliver the notice in person to each member, or mail it to each member at the address for the member as it appears on the records of the credit union, not more than 30 nor less than 7 days before the date of the vote. The membership must be given the opportunity to vote by mail ballot. The credit union may provide the notice of the proposal and the ballot to members at the same time.

(c) If the membership and the NCUA approve the proposition for termination of insurance, the credit union must give the members prompt and reasonable notice of termination.

§ 708b.203 Conversion of insurance.

(a) A federally-insured state credit union may convert to nonfederal insurance, if permitted by state law, either on its own or by merging into a nonfederally-insured credit union.

(b) A federal credit union may convert to nonfederal insurance only by merging into, or converting its charter to, a nonfederally-insured state credit union.

(c) Conversion to nonfederal insurance requires the prior written approval of the NCUA. After the credit union board of directors resolves to seek a conversion, the credit union must notify the Regional Director

promptly, in writing, of the desired conversion and request NCUA approval of the conversion. The notification must be in the form specified in subpart C of this part, unless the Regional Director approves a different form. The credit union must provide this notification and request for approval to the Regional Director at least 14 days before the credit union notifies its members and seeks their vote and at least 90 days before the proposed conversion date. NCUA will approve or disapprove the conversion as described in paragraph (g) of this section.

(d) Approval of a conversion of federal to nonfederal insurance requires the affirmative vote of a majority of the credit union's members who vote on the proposition, provided at least 20 percent of the total membership participates in the voting. The credit union must use an independent entity to collect and tally the votes and certify the results for all share insurance conversions, including share insurance conversions that involve a merger or charter conversion. The vote must be taken by secret ballot, meaning that no credit union employee or official can determine how a particular member voted.

(e) For all conversions, the notice to the NCUA must include:

(1) A written statement from the credit union that it "is aware of the requirements of 12 U.S.C. 1831t(b), including all notification and acknowledgment requirements;" and

(2) Proof that the nonfederal insurer is authorized to issue share insurance in the state where the credit union is located and that the insurer will insure the credit union.

(f) The board of directors of the credit union and the independent entity that conducts the membership vote must certify the results of the membership vote to the NCUA within 10 days after the deadline for receipt of votes. The certification must include the total number of members of record of the credit union, the number who voted on the conversion, the number who voted in favor of the conversion, and the number who voted against. The certification must be in the form specified in subpart C of this part.
