

§ 708b.203

12 CFR Ch. VII (1-1-06 Edition)

written notice of the proposal to terminate and of the date set for the membership vote. The first written communication following the resolution that is made by or on behalf of the credit union and that informs the members that the credit union will seek termination is the notice of the proposal to terminate. This notice must:

(1) Inform the members of the requirement for a membership vote and the date for the vote;

(2) Explain that the insurance provided by the NCUA is federal insurance and is backed by the full faith and credit of the United States government; and

(3) Include a conspicuous statement that if the termination or merger is approved, and the credit union, or the continuing credit union in the case of a merger, subsequently fails, the federal government does not guarantee the member will get his or her money back.

(b) The credit union must deliver the notice in person to each member, or mail it to each member at the address for the member as it appears on the records of the credit union, not more than 30 nor less than 7 days before the date of the vote. The membership must be given the opportunity to vote by mail ballot. The credit union may provide the notice of the proposal and the ballot to members at the same time.

(c) If the membership and the NCUA approve the proposition for termination of insurance, the credit union must give the members prompt and reasonable notice of termination.

§ 708b.203 Conversion of insurance.

(a) A federally-insured state credit union may convert to nonfederal insurance, if permitted by state law, either on its own or by merging into a nonfederally-insured credit union.

(b) A federal credit union may convert to nonfederal insurance only by merging into, or converting its charter to, a nonfederally-insured state credit union.

(c) Conversion to nonfederal insurance requires the prior written approval of the NCUA. After the credit union board of directors resolves to seek a conversion, the credit union must notify the Regional Director

promptly, in writing, of the desired conversion and request NCUA approval of the conversion. The notification must be in the form specified in subpart C of this part, unless the Regional Director approves a different form. The credit union must provide this notification and request for approval to the Regional Director at least 14 days before the credit union notifies its members and seeks their vote and at least 90 days before the proposed conversion date. NCUA will approve or disapprove the conversion as described in paragraph (g) of this section.

(d) Approval of a conversion of federal to nonfederal insurance requires the affirmative vote of a majority of the credit union's members who vote on the proposition, provided at least 20 percent of the total membership participates in the voting. The credit union must use an independent entity to collect and tally the votes and certify the results for all share insurance conversions, including share insurance conversions that involve a merger or charter conversion. The vote must be taken by secret ballot, meaning that no credit union employee or official can determine how a particular member voted.

(e) For all conversions, the notice to the NCUA must include:

(1) A written statement from the credit union that it "is aware of the requirements of 12 U.S.C. 1831t(b), including all notification and acknowledgment requirements;" and

(2) Proof that the nonfederal insurer is authorized to issue share insurance in the state where the credit union is located and that the insurer will insure the credit union.

(f) The board of directors of the credit union and the independent entity that conducts the membership vote must certify the results of the membership vote to the NCUA within 10 days after the deadline for receipt of votes. The certification must include the total number of members of record of the credit union, the number who voted on the conversion, the number who voted in favor of the conversion, and the number who voted against. The certification must be in the form specified in subpart C of this part.

(g) Generally, the NCUA will approve or disapprove the conversion in writing within 14 days after receiving the certification of the vote.

(h) For conversions by merger, the merging credit unions must follow the procedures specified in subparts A and B of this part and use the forms specified in subpart C of this part. In the event the procedures of Subpart A and B conflict, the credit union must follow subpart B.

§ 708b.204 Notice to members of proposal to convert insurance.

(a) When the board of directors of a federally-insured credit union adopts a resolution proposing to convert from federal to nonfederal insurance, including an insurance conversion associated with a merger or conversion of charter, it must provide its members with written notice of the proposal to convert insurance and of the date set for the membership vote. The first written communication following this resolution that is made by or on behalf of the credit union and that informs the members that the credit union will seek conversion of insurance is the notice of the proposal to convert. This notice must:

(1) Inform the members of the requirement for a membership vote and the date for the vote;

(2) Explain that the insurance provided by the NCUA is federal insurance and is backed by the full faith and credit of the United States government, while the insurance provided by the nonfederal insurer is not guaranteed by the federal or any state government;

(3) Include a conspicuous statement that if the conversion or merger is approved, and the credit union, or the continuing credit union in the case of a merger, subsequently fails, the federal government does not guarantee the member will get his or her money back; and

(4) Be in the form set forth in subpart C of this part, unless the Regional Director approves a different form.

(b) The credit union must deliver the notice in person to each member or mail it to each member at the address for the member as it appears on the records of the credit union, not more

than 30 nor less than 7 days before the date for the vote. The credit union must give the membership the opportunity to vote by mail ballot. The form of the ballot must be as set forth in subpart C of this part, unless the Regional Director approves the use of a different form. The notice of the proposal and the ballot may be provided to the members at the same time.

(c) If the membership and the NCUA approve the proposition for conversion of insurance, the credit union will give prompt and reasonable notice to the membership. The credit union must deliver the notice at least 30 days before the effective date of the conversion. The notice must identify the effective date of the conversion, and the first page must also include a conspicuous statement (*i.e.*, in bold and no smaller than any other font size used in the notice) that:

(1) The conversion will result in the loss of federal share insurance, and

(2) The credit union will, at any time before the effective date of conversion, permit all members who have share certificates or other term accounts to close the federally-insured portion of those accounts without an early withdrawal penalty.

§ 708b.205 Modifications to notice and ballot.

(a) Converting credit unions will use the form notice and ballot as provided in subpart C of this part unless the Regional Director approves the use of a different form.

(b) A converting credit union will provide the Regional Director with a copy of the notice and ballot, including any reasons for conversion and estimated costs of conversion, on or before the date the notice and ballot are mailed to the members.

(c) Federally-insured state credit unions may include additional language in the notice and ballot regarding state requirements for mergers, where appropriate.

§ 708b.206 Share insurance communications to members.

(a) Every share insurance communication must comply with §740.2 of this chapter, which, in part, prohibits federally-insured credit unions from
