

§ 925.23

member using calendar year-end financial data provided by the member to the Bank, pursuant to § 925.31(d) of this part, and shall notify each member of the adjustment. The notice shall clearly state that the Bank's calculation of each member's minimum stock holdings is to be used to determine the number of votes that the member may cast in that year's election of directors and shall identify the state within the district in which the member will vote. A member that does not agree with the Bank's calculation of the minimum stock requirement or with the identification of its voting state may request the Finance Board to review the Bank's determination. The Finance Board shall promptly determine the member's minimum required holdings and its proper voting state, which determination shall be final.

(2) *Redemption of excess shares.* If, after the annual adjustment required by paragraph (b)(1) of this section is made, the amount of stock that a member is required to hold is decreased, the Bank may, in its discretion and upon proper application of the member, retire such excess stock, and the Bank shall pay for each share upon surrender of the stock an amount equal to the par value thereof (except that if at any time the Finance Board finds that the paid-in capital of a Bank is or is likely to be impaired as a result of losses in or depreciation of the assets held, the Bank shall on the order of the Finance Board withhold from the amount to be paid in retirement of the stock a *pro rata* share of the amount of such impairment as determined by the Finance Board) or, at its election, the Bank may credit any part of such payment against the member's debt to the Bank.

(c) A member's stock holdings shall not be reduced under this section to an amount less than required by sections 6(b), 10(c) and 10(e) of the Act (12 U.S.C. 1426(b), 1430(c), 1430(e)).

the membership of the disappearing institution shall terminate upon the cancellation of its charter.

(2) *Notification.* If a member has consolidated into a nonmember that has its principal place of business in a state in the same Bank district as the former member, the consolidated institution shall have 60 calendar days after the cancellation of the charter of the former member within which to notify the Bank of the former member that the consolidated institution intends to apply for membership in such Bank. If the consolidated institution does not so notify the Bank by the end of the period, the Bank shall require the liquidation of any outstanding indebtedness owed by the former member, shall settle all outstanding business transactions with the former member, and shall redeem or repurchase the Bank stock owned by the former member in accordance with § 925.29.

(3) *Application.* If such a consolidated institution has notified the appropriate Bank of its intent to apply for membership, the consolidated institution shall submit an application for membership within 60 calendar days of so notifying the Bank. (4) *Outstanding indebtedness.* If a member has consolidated into a nonmember institution, the Bank need not require the former member or its successor to liquidate any outstanding indebtedness owed to the Bank or to redeem its Bank stock, as otherwise may be required under § 925.29, during:

(i) The initial 60 calendar-day notification period;

(ii) The 60 calendar-day period following receipt of a notification that the consolidated institution intends to apply for membership; and

(iii) The period of time during which the Bank processes the application for membership.

(5) *Approval of membership.* If the application of such a consolidated institution is approved, the consolidated institution shall become a member of that Bank upon the purchase of the amount of Bank stock required by section 6 of the Act (12 U.S.C. 1426). If a Bank's capital plan has not taken effect, the amount of stock that the consolidated institution is required to own shall be as provided in § 925.20 and § 925.22. If the capital plan for the Bank has taken effect, the amount of stock that the consolidated institution is required to own shall be equal to the minimum investment established by the capital plan for that Bank.

(c) *Dividends on acquired Bank stock.* A consolidated institution shall be entitled to receive dividends on the Bank stock that it acquires as a result of a consolidation with a member in accordance with § 931.4(a) of this chapter.

(d) *Stock transfers.* With regard to any transfer of Bank stock from a disappearing member to the surviving or consolidated member, as appropriate, for which the approval of the Finance Board is required pursuant to section 6(f) of the Act (12 U.S.C. 1426(f)), as in effect prior to November 12, 1999, such transfer shall be deemed to be approved by the Finance Board by compliance in all applicable respects with the requirements of this section.
