the membership of the disappearing institution shall terminate upon the cancellation of its charter.

(2) *Notification.* If a member has consolidated into a nonmember that has its principal place of business in a state in the same Bank district as the former member, the consolidated institution shall have 60 calendar days after the cancellation of the charter of the former member within which to notify the Bank of the former member that the consolidated institution intends to apply for membership in such Bank. If the consolidated institution does not so notify the Bank by the end of the period, the Bank shall require the liquidation of any outstanding indebtedness owed by the former member, shall settle all outstanding business transactions with the former member, and shall redeem or repurchase the Bank stock owned by the former member in accordance with § 925.29.

(3) *Application.* If such a consolidated institution has notified the appropriate Bank of its intent to apply for membership, the consolidated institution shall submit an application for membership within 60 calendar days of so notifying the Bank. If the consolidated institution does not submit an application for membership by the end of the period, the Bank shall require the liquidation of any outstanding indebtedness owed by the former member, shall settle all outstanding business transactions with the former member, and shall redeem or repurchase the Bank stock owned by the former member in accordance with § 925.29.

(4) *Outstanding indebtedness.* If a member has consolidated into a nonmember institution, the Bank need not require the former member or its successor to liquidate any outstanding indebtedness owed to the Bank or to redeem its Bank stock, as otherwise may be required under § 925.29, during:

(i) The initial 60 calendar-day notification period;

(ii) The 60 calendar-day period following receipt of a notification that the consolidated institution intends to apply for membership; and

(iii) The period of time during which the Bank processes the application for membership.

(5) *Approval of membership.* If the application of such a consolidated institution is approved, the consolidated institution shall become a member of that Bank upon the purchase of the amount of Bank stock required by section 6 of the Act (12 U.S.C. 1426). If a Bank's capital plan has not taken effect, the amount of stock that the consolidated institution is required to own shall be as provided in § 925.20 and § 925.22. If the capital plan for the Bank has taken effect, the amount of stock that the consolidated institution is required to own shall be equal to the minimum investment established by the capital plan for that Bank.

(6) *Disapproval of membership.* If the Bank disapproves the application for membership of the consolidated institution, the Bank shall require the liquidation of any outstanding indebtedness owed by, and the settlement of all other outstanding business transactions with, the former member, and shall redeem or repurchase the Bank stock owned by the former member in accordance with § 925.29.

(c) *Dividends on acquired Bank stock.* A consolidated institution shall be entitled to receive dividends on the Bank stock that it acquires as a result of a consolidation with a member in accordance with § 931.4(a) of this chapter.

(d) *Stock transfers.* With regard to any transfer of Bank stock from a disappearing member to the surviving or consolidated member, as appropriate, for which the approval of the Finance Board is required pursuant to section 6(f) of the Act (12 U.S.C. 1426(f)), as in effect prior to November 12, 1999, such transfer shall be deemed to be approved by the Finance Board by compliance in all applicable respects with the requirements of this section.

§ 925.26

§ 925.26 Voluntary withdrawal from membership.

(a) *In general.* (1) Any institution may withdraw from membership by providing to the Bank written notice of its intent to withdraw from membership. A member that has so notified its Bank shall be entitled to have continued access to the benefits of membership until the effective date of its withdrawal, but the Bank need not commit to providing any further services, including advances, to a withdrawing member that would mature or otherwise terminate subsequent to the effective date of the withdrawal. A member may cancel its notice of withdrawal at any time prior to its effective date by providing a written cancellation notice to the Bank. A Bank may impose a fee on a member that cancels a notice of withdrawal, provided that the fee or the manner of its calculation is specified in the Bank's capital plan.

(2) A Bank shall notify the Finance Board within 10 calendar days of receipt of any notice of withdrawal or notice of cancellation of withdrawal from membership.

(b) *Effective date of withdrawal.* The membership of an institution that has submitted a notice of withdrawal shall terminate as of the date on which the last of the applicable stock redemption periods ends for the stock that the member is required to hold, as of the date that the notice of withdrawal is submitted, under the terms of a Bank's capital plan as a condition of membership, unless the institution has cancelled its notice of withdrawal prior to the effective date of the termination of its membership.

(c) *Stock redemption periods.* The receipt by a Bank of a notice of withdrawal shall commence the applicable 6-month and 5-year stock redemption periods, respectively, for all of the Class A and Class B stock held by that member that is not already subject to a pending request for redemption. In the case of an institution the membership of which has been terminated as a result of a merger or other consolidation into a nonmember or into a member of another Bank, the applicable stock redemption periods for any stock that is not subject to a pending notice of redemption shall be deemed to com-

(d) *Certification.* No institution may withdraw from membership unless, on the date that the membership is to terminate, there is in effect a certification from the Finance Board that the withdrawal of a member will not cause the Bank System to fail to satisfy its requirements under section 21B(f)(2)(C) of the Act (12 U.S.C. 1441b(f)(2)(C)) to contribute toward the interest payments owed on obligations issued by the Resolution Funding Corporation.

§ 925.27 Involuntary termination of membership.

(a) *Grounds.* The board of directors of a Bank may terminate the membership of any institution that:

(1) Fails to comply with any requirement of the Act, any regulation adopted by the Finance Board, or any requirement of the Bank's capital plan;

(2) Becomes insolvent or otherwise subject to the appointment of a conservator, receiver, or other legal custodian under federal or state law; or
