

*Revenue traffic* means persons, property or mail carried for compensation or hire.

(b) Terms defined in section 101 of the Act have the meaning expressed in such definitions.

#### §216.2 Applicability.

This part sets forth the requirements applicable to foreign air carriers for obtaining a Special Authorization from the Board with respect to any deviation from an authorized foreign air transportation route for the purpose of commingling blind sector traffic with air transportation traffic carried pursuant to a foreign air carrier permit issued by the Board. The deviation by a foreign air carrier from its authorized route for the purpose of combined carriage to or from the United States of nonrevenue or other traffic, the carriage of which does not constitute engaging in foreign air transportation, is governed by the provisions of part 375 of this chapter.

#### §216.3 Prohibition.

No foreign air carrier shall carry any blind sector traffic, as defined in this part, on any flight operating in air transportation pursuant to the authority of a foreign air carrier permit issued under section 402 of the Act, unless the combined carriage of such traffic has been specifically authorized by such permit, or by a Special Authorization issued under §216.4.

#### §216.4 Special authorizations.

(a) *Applications.* Any foreign air carrier may apply to the Board for a Special Authorization, as required by this part, for the carriage of blind sector traffic on a particular flight, series of flights, or for a specified or indefinite period of time between specified points. Applications shall be submitted directly to the Board, addressed to the attention of the Director, Bureau of International Aviation. One original and two copies in conformity with the requirements of §§302.3(b) and 302.4 (a) and (b) of this chapter shall be filed. The applications shall contain a proper identification of the applicant; the flight or flights upon which it is proposed to carry such blind sector traffic, including routing, nontraffic stops, and

dates or duration of the authority sought; a full description of such traffic, and points between which such traffic will be carried; information or documentation as to whether the country of which the applicant is a national grants reciprocal privileges to U.S. carriers; and the reasons for requesting such authorization together with such additional information as will establish that the grant of such authority will otherwise be in the public interest. Such additional information as may be specifically requested by the Board shall also be furnished.

(b) *Service.* Applications shall be served upon each direct U.S. air carrier certificated to engage in individually ticketed or waybilled foreign air transportation over any portion of the route to which the application pertains, and on such other persons as the Board may require, and proof of such service shall accompany the application as provided in §302.7 of this chapter. Notice of such applications shall also be published in the Board's Weekly List of Applications Filed.

(c) *Memoranda in support or opposition.* Any interested person may file a memorandum in support of or in opposition to the grant of an application. Such memorandum shall set forth in detail the reasons why it is believed that the application should be granted or denied and shall be accompanied by such data, including affidavits, which it is desired that the Board consider. Copies of the memorandum shall be served upon the applicant. Nothing in this subparagraph shall be deemed to preclude the Board from granting or denying an application when the circumstances so warrant without awaiting the filing of memoranda in support of or in opposition to the application.

(d) *Time for filing.* (1) Applications seeking authority to engage in blind sector operations for a period of 3 months or longer, shall be submitted at least 60 days in advance of the proposed commencement of such operations. Memoranda in response to such an application shall be submitted within 15 days after the date of filing thereof.
