

§ 294.84

§ 294.84 Air competency requirements.

Registrants shall conform to the airworthiness and airman competency requirements prescribed by the Government of Canada for Canadian international air service.

§ 294.85 Charterworthiness standards.

(a) Registrants may perform U.S.-originating charters authorized under Annex B (III)(A) of the Agreement as follows: Commercial air transportation of passengers and their accompanied baggage, and of property, on a time, mileage, or trip basis, where the entire payload capacity of one or more aircraft has been engaged by a person for his own use or by a person for the transportation of a group of persons and/or their property, as agent or representative of such group, or other small aircraft operations as may be authorized under any amendments, supplements, reservations, or supersessions of the Agreement.

(b) Registrants may perform Canadian-originating charters authorized by Annex B (III)(B) of the Agreement and any amendments, supplements, reservations or supersessions of it. Such charters may be performed only to the extent authorized by the Air Carrier Regulations of the Canadian Transport Commission applicable to operations by small aircraft.

§ 294.86 Industrial/agricultural/other nontransport air operations prohibited.

A registrant shall not engage in flights for the purpose of industrial or agricultural operations (e.g., crop dusting, pest control, pipeline patrol, mapping, surveying, banner towing, skywriting, aerial photography) within the United States unless it has obtained a permit from the Department under part 375 of this chapter.

§ 294.87 Compliance with Canadian licenses.

A registrant shall not, in the performance of operations authorized by this part, use any aircraft or conduct any operations except in accordance with the authority and conditions contained in the registrant's applicable Canadian licenses.

14 CFR Ch. II (1-1-06 Edition)

§ 294.88 Northwest Ontario restriction.

(a) Except as set forth in §294.60 or paragraph (b) of this section, registrants shall not engage in the carriage of persons in foreign air transportation between the United States and Canada to or from a point in Ontario, west of a line drawn due north from Blind River, Ontario (46° 11' North Latitude, 82° 58' West Longitude) and extending to the border between Ontario and Manitoba, unless:

(1) The point is a resort, camp, or outpost operated by a person duly licensed for such purpose by the Government of the Province of Ontario, or the licensed base of a Canadian charter air carrier, or a Canadian Customs port of entry;

(2) The registrant is required on each flight out of the restricted area to make a stop at a Canadian Customs port of entry or at the licensed base of a Canadian charter air carrier where officers of the Ontario Ministry of Natural Resources may be available to make such inspection as they consider desirable; and

(3) The registrant has available on its aircraft for inspection by the U.S. authorities satisfactory evidence that it has complied with these conditions.

(b) The prohibition set forth in paragraph (a) of this section does not apply to flights performed for medical evacuation or similar emergencies.

(c) A registrant shall clearly notify in writing all persons who contract for the registrant's service, and are affected by the restrictions of this section, of the limitations set forth in paragraph (a) of this section.

§ 294.89 Uplift ratio.

Except as set forth in §294.60, the aggregate number of all United States-originating charter flights performed by a registrant on or after May 8, 1974, shall not, at the end of any calendar quarter, exceed by more than one-third the aggregate number of all Canadian-originating charter flights performed by the registrant on or after May 8, 1974. For the purpose of making such computation, the following shall apply:

(a) A charter shall be considered to originate in the United States (or Canada) if the passengers or property are first taken on board in that country,
