

§ 302.709

the time of termination of such conference.

§ 302.709 Scope of conferences.

The mail rate conferences shall be limited to the discussion of, and possible agreement on, particular issues and related factual material in accordance with sound rate-making principles. The duties and powers of DOT employees in rate conferences essentially will not be different, therefore, from the duties and powers they have in the processing of rate cases not involving a rate conference. The employees' function in both instances is to present clearly to the DOT decisionmaker the issues and the related material facts, together with recommendations. The DOT decisionmaker will make an independent determination of the soundness of the employees' analyses and recommendations.

§ 302.710 Participants in conferences.

The persons entitled to be present in mail rate conferences will be the representatives of the carrier whose rates are in issue, the staff of the U.S. Postal Service, and the authorized DOT employees. No other person will attend unless the DOT employees deem his or her presence necessary in the interest of one or more purposes to be accomplished, and in such case his or her participation will be limited to such specific purposes. No person, however, shall have the duty to attend merely by reason of invitation by the authorized DOT employees.

§ 302.711 Conditions upon participation.

(a) *Nondisclosure of information.* As a condition to participation, every participant, during the period of the conference and for ninety (90) days after its termination, or until the Department takes public action with respect to the facts and issues covered in the conference, whichever is earlier:

(1) Shall, except for necessary disclosures in the course of employment in connection with conference business, hold the information obtained in conference in absolute confidence and trust;

(2) Shall not deal, directly or indirectly, for the account of himself or

herself, his or her immediate family, members of his or her firm or company, or as a trustee, in securities of the air carrier involved in the rate conference except that under exceptional circumstances special permission may be obtained in advance from the DOT decisionmaker; and

(3) Shall adopt effective controls for the confidential handling of such information and shall instruct personnel under his or her supervision, who by reason of their employment come into possession of information obtained at the conference, that such information is confidential and must not be disclosed to anyone except to the extent absolutely necessary in the course of employment, and must not be misused. (The term "information", as used in this section, shall refer only to information obtained at the conference regarding the future course of action or position of the Department or its employees with respect to the facts or issues discussed at the conference.)

(b) *Signed statement required.* Every representative of an air carrier actually present at any conference shall sign a statement that he or she has read this entire instruction and promises to abide by it and advise any other participant to whom he or she discloses any confidential information of the restrictions imposed above. Every representative of the U.S. Postal Service actually present at any conference shall, on his or her own behalf, sign a statement to the same effect.

(c) *Presumption of having conference information.* A director of any air carrier that has had a representative at the conference, who deals either directly or indirectly for himself or herself, his or her immediate family, members of his or her firm or company, or as a trustee, in securities of the air carrier involved in the conference, during the restricted period set forth above, shall be presumed to have come into possession of information obtained at the conference knowing that such information was subject to the restrictions imposed above; but such presumption can be rebutted.

(d) *Compliance report required.* Within ten (10) days after the expiration of the time specified for keeping conference

matters confidential, every participant, as defined in paragraph (e) of this section, shall file a verified compliance report with Department of Transportation Dockets stating that he or she has complied in every respect with the conditions of this section, or if he or she has not so complied, stating in detail in what respects he or she has failed to comply.

(e) *Persons subject to the provisions of this section.* For the purposes of this section, participants shall include:

(1) Any representative of any air carrier and any representative of the U.S. Postal Service actually present at the conference;

(2) The directors and the officers of any air carrier that had a representative at the conference;

(3) The members of any firm of attorneys or consultants that had a representative at the conference; and

(4) The members of the U.S. Postal Service staff who come into possession of information obtained at the conference, knowing that such information is subject to the restrictions imposed in this section.

§ 302.712 Information to be requested from an air carrier.

When an air carrier is requested to submit detailed estimates as to traffic, revenues and expenses by appropriate periods and the investment that will be required to perform the operations for a future period, full and adequate support shall be presented for all estimates, particularly where such estimates deviate materially from the air carrier's experience. With respect to the rate for a past period, essentially the same procedure shall be followed. Other information or data likewise may be requested by the DOT employees. All data submitted by the air carrier shall be certified by a responsible officer.

§ 302.713 DOT analysis of data for submission of answers thereto.

After a careful analysis of these data, the DOT employees will, in most cases, send the air carrier a statement of exceptions showing areas of differences. Where practicable, the air carrier may submit an answer to these exceptions. Conferences will then be scheduled to

resolve the issues and facts in accordance with sound ratemaking principles.

§ 302.714 Availability of data to the U.S. Postal Service.

The representatives of the U.S. Postal Service shall have access to all conference data and, insofar as practicable, shall be furnished copies of all pertinent data prepared by the DOT employees and the air carrier, and a reasonable time shall be allowed to review the facts and issues and to make any presentation deemed necessary; *Provided*, That in cases other than those involving an issue as to the service mail rates payable by the U.S. Postal Service pursuant to section 41901 of the Statute, representatives of the U.S. Postal Service shall be furnished with copies of data under this provision only upon their written request.

§ 302.715 Post-conference procedure.

No briefs, argument, or any formal steps will be entertained by the DOT decisionmaker after the rate conferences. The form, content and time of the staff's presentation to the DOT decisionmaker are entirely matters of internal procedure. Any party to the mail rate proceeding may, through an authorized DOT employee, request the opportunity to submit a written or oral statement to the DOT decisionmaker on any unresolved issue. The DOT decisionmaker will grant such requests whenever he or she deems such action desirable in the interest of further clarification and understanding of the issues. The granting of an opportunity for such further presentation shall not, however, impair the rights that any party might otherwise have under the Statute and this part.

§ 302.716 Effect of conference agreements.

No agreements or understandings reached in rate conferences as to facts or issues shall in any respect be binding on the Department or any participant. Any party to mail rate proceedings will have the same rights to file an answer and take other procedural steps as though no rate conference had been held. The fact, however, that a rate conference was held
