

Subpart D—Permit Sanctions and Denials

GENERAL

§ 904.300 Scope and applicability.

(a) This subpart sets forth policies and procedures governing the suspension, revocation, modification, and denial of permits for reasons relating to enforcement of the statutes cited in § 904.1(c), except for the statutes listed in paragraph (b) of this section. These reasons include nonpayment of civil penalties or criminal fines, and violations of statutes, regulations, or permit conditions. Nothing in this subpart precludes sanction or denial of a permit for reasons not relating to enforcement. As appropriate, and unless otherwise specified in this subpart, the provisions of Subparts A, B, and C apply to this subpart.

(b) Regulations governing sanctions and denials of permits issued under the Deep Seabed Hard Mineral Resources Act (30 U.S.C. 1401 *et seq.*) appear at 15 CFR part 970; under the Ocean Thermal Energy Conversion Act of 1980 (42 U.S.C. 9101 *et seq.*), at 15 CFR part 981.

§ 904.301 Bases for sanctions or denials.

(a) Unless otherwise specified in a settlement agreement, or otherwise provided in this subpart, NOAA may take action under this subpart with respect to any permit issued under the statutes cited in § 904.1(c). The bases for an action to sanction or deny a permit are as follows:

(1) The commission of any offense prohibited by any statute administered by NOAA, including violation of any regulation promulgated or permit condition or restriction prescribed thereunder, by the permit holder or with the use of a permitted vessel;

(2) The failure to pay a civil penalty assessed under subparts B and C of this part; or

(3) The failure to pay a criminal fine imposed or to satisfy any other liability incurred in a judicial proceeding under any of the statutes administered by NOAA.

(b) A sanction may be imposed or a permit denied under this subpart with respect to the particular permit per-

taining to the offense or nonpayment, and may also be applied to any NOAA permit held or sought by the permit holder, including permits for other activities or for other vessels. Examples of the application of this policy are the following:

(1) NOAA suspends Vessel A's fishing permit for nonpayment of a civil penalty pertaining to Vessel A. The owner of Vessel A buys Vessel B and applies for a permit for Vessel B to participate in the same or a different fishery. NOAA may withhold that permit until the sanction against vessel A is lifted.

(2) NOAA revokes a Marine Mammal Protection Act permit for violation of its conditions. The permit holder subsequently applies for a permit under the Endangered Species Act. NOAA may deny the ESA application.

(3) Captain X, an officer in Country Y's fishing fleet, is found guilty of assaulting an enforcement officer. NOAA may impose a condition on the permits of Country Y's vessels that they may not fish in the fishery conservation zone with Captain X aboard. (See § 904.320(c).)

(c) Sanction not extinguished by sale. [Reserved]

§ 904.302 Notice of permit sanction (NOPS).

(a) A NOPS will be served personally or by registered or certified mail, return receipt requested, on the permit holder. When a foreign fishing vessel is involved, service will be made on the agent authorized to receive and respond to any legal process for vessels of that country.

(b) The NOPS will set forth the sanction to be imposed, the bases for the sanction, and any opportunity for a hearing. It will state the effective date of the sanction, which will ordinarily not be earlier than 30 calendar days after the date of receipt of the NOPS (see § 904.322).

(c) Upon demand by an authorized enforcement officer, a permit holder must surrender a permit against which a sanction has taken effect. The effectiveness of the sanction, however, does not depend on surrender of the permit.
