

§ 293.402

5 CFR Ch. I (1-1-06 Edition)

3132(a)(1) and 4301(1) of title 5, U.S. Code, including Military Departments (but not non-appropriated fund employees) as defined in section 102 of title 5, U.S. Code, and independent establishments as defined in section 104 of title 5, U.S. Code. Within those agencies, the requirements of this subpart apply to all employees occupying positions subject to civil service rules and regulations, including Senior Executive Service positions as defined in 5 U.S.C. 3132(a)(2).

§ 293.402 Establishment of separate employee performance record system.

(a) Copies of employees' performance ratings of record, including the performance plans on which the ratings are based, must be placed in either the employee's Official Personnel Folder (OPF) or in the Employee Performance File (EPF). However, other performance-related documents may be retained in the OPF only when the agency prescribes the use of a separate envelope, temporarily located in the OPF, and removed whenever the OPF (except as required in § 293.404(b)) is transferred to another agency. Performance ratings of record, including the performance plans on which the ratings are based, shall be retained on the left (temporary) side of the OPF. No other performance-related record shall be retained on the left (temporary) or right (long term) side of the OPF or shall be transferred to the National Personnel Records Center (except as required by § 293.404(b)).

(b) Except for performance records maintained in the OPF consistent with paragraph (a) of this section, each agency having employees occupying a position described in § 293.401 shall provide for maintenance of performance-related records for such employees in this EPF system. The agency may elect to retain records in a separate file that is located in the same office with the OPF, or in an envelope kept in the OPF itself. If the agency determines that a separate EPF is cost-effective, such a file may be located in another designated agency office (as specified in the agency's performance appraisal plan) including with supervisors or managers (hereinafter re-

ferred to as rating officials) or with Performance Review Boards. Any supporting documents that the agency may prescribe as necessary for agency officials in performance of their duties shall be kept in these files.

(c)(1) Agencies shall provide their employees access to their performance files (automated and manual). Such a request for access shall be processed in accordance with established agency procedures, consistent with Office of Personnel Management regulations regarding access to records contained in part 297 of this chapter. Such access shall be provided to the employee or to the employee's designated representative, and such records may also be disclosed to other officials of the agency who have a need for the documents in the performance of their duties.

(2) All other requests for performance documents made to agency officials (e.g., Freedom of Information Act requests or requests made under the "routine use" provisions of the Privacy Act) shall be processed by the responsible agency official in accordance with agency procedures consistent with Office of Personnel Management regulations regarding disclosures of such records contained in parts 293 and 297 of this chapter.

(3) Privacy Act requests for amendment of records maintained in this system shall be processed by the responsible agency official in accordance with agency procedures consistent with Office of Personnel Management regulations regarding amendment of records contained in part 297 of this chapter.

(d) Agencies maintaining the EPF in an automated or microform system shall issue instructions that contain necessary procedures to ensure that the same requirements as in paragraph (c) of this section, relating to all manual records, are met.
