

Agricultural Research Service, USDA

§ 510.6

charged with the cost of processing the loan or copying request.

PART 510—PUBLIC INFORMATION

Sec.

510.1 General statement.

510.2 Public inspection, copying, and indexing.

510.3 Requests for records.

510.4 Multitrack processing.

510.5 Denials.

510.6 Appeals.

AUTHORITY: 5 U.S.C. 301, 552; 7 CFR part 1, subpart A and appendix A thereto.

SOURCE: 66 FR 57841, Nov. 19, 2001, unless otherwise noted.

§ 510.1 General statement.

This part is issued in accordance with the regulations of the Secretary of Agriculture in part 1, subpart A of this title and appendix A thereto, implementing the Freedom of Information Act (FOIA) (5 U.S.C. 552). The Secretary's regulations, as implemented by the regulations in this part, govern the availability of records of the Agricultural Research Service (ARS) to the public.

§ 510.2 Public inspection, copying, and indexing.

5 U.S.C. 552(a)(2) requires that certain materials be made available for public inspection and copying and that a current index of these materials be published quarterly or otherwise be made available. Members of the public may request access to such materials maintained by ARS at the following office: Information Staff, ARS, REE, USDA, Room 1-2248, Mail Stop 5128, 5601 Sunnyside Avenue, Beltsville, MD 20705-5128; Telephone (301) 504-1640 or (301) 504-1655; TTY-VOICE (301) 504-1743. Office hours are 8 a.m. to 4:30 p.m. Information maintained in our electronic reading room can be accessed at <http://www.ars.usda.gov/is/foia/#Electronic>.

§ 510.3 Requests for records.

Requests for records of ARS under 5 U.S.C. 552(a)(3) shall be made in accordance with Subsection 1.5 of this title and submitted to the FOIA Coordinator, Information Staff, ARS, REE, USDA, Mail Stop 5128, 5601 Sunnyside Avenue, Beltsville, MD 20705-5128; Tele-

phone (301) 504-1640 or (301) 504-1655; TTY-VOICE (301) 504-1743; Facsimile (301) 504-1648; e-mail vherberger@ars.usda.gov or shutchison@ars.usda.gov. The FOIA Coordinator is delegated authority to make determinations regarding such requests in accordance with Subsection 1.3(c) of this title.

§ 510.4 Multitrack processing.

(a) When ARS has a significant number of requests, the nature of which precludes a determination within 20 working days, the requests may be processed in a multitrack processing system, based on the date of receipt, the amount of work and time involved in processing the request, and whether the request qualifies for expedited processing.

(b) ARS may establish as many processing tracks as appropriate; processing within each track shall be based on a first-in, first-out concept, and rank-ordered by the date of receipt of the request.

(c) A requester whose request does not qualify for the fastest track may be given an opportunity to limit the scope of the request in order to qualify for the fastest track. This multitrack processing system does not lessen agency responsibility to exercise due diligence in processing requests in the most expeditious manner possible.

(d) ARS shall process requests in each track on a "first-in, first-out" basis, unless there are unusual circumstances as set forth in § 1.16 of this title, or the requester is entitled to expedited processing as set forth in § 1.9 of this title.

§ 510.5 Denials.

If the FOIA Coordinator determines that a requested record is exempt from mandatory disclosure and that discretionary release would be improper, the FOIA Coordinator shall give written notice of denial in accordance with § 1.7(a) of this title.

§ 510.6 Appeals.

Any person whose request is denied shall have the right to appeal such denial. Appeals shall be made in accordance with § 1.14 of this title and should be addressed as follows: Administrator,

ARS, U.S. Department of Agriculture, Washington, DC 20250.

PART 520—PROCEDURES FOR IMPLEMENTING NATIONAL ENVIRONMENTAL POLICY ACT

Sec.

- 520.1 General statement.
- 520.2 Definition.
- 520.3 Policy.
- 520.4 Responsibilities.
- 520.5 Categorical exclusions.
- 520.6 Preparation of an Environmental Assessment (EA).
- 520.7 Preparation of an Environmental Impact Statement (EIS).

AUTHORITY: National Environmental Policy Act (NEPA) as amended, 42 U.S.C. 4321 *et seq.*; E.O. 11514, 34 FR 4247, as amended by E.O. 11991, 42 FR 26927; E.O. 12144, 44 FR 11957; 5 U.S.C. 301; 40 CFR 1500-1508.

SOURCE: 51 FR 34191, Sept. 25, 1986, unless otherwise noted.

§ 520.1 General statement.

These procedures assure that research and other activities of the Agricultural Research Service (ARS) comply with the intent of the National Environmental Policy Act of 1969 (NEPA) and appropriate regulations implementing this Act. These procedures incorporate and supplement, and are not a substitute for, CEQ regulations under 40 CFR parts 1500-1508, and Department of Agriculture NEPA Policies and Procedures under 7 CFR part 1b. ARS conducts and supports research as authorized by legislation to support one of the USDA goals of assuring adequate supplies of high quality food and fiber. Information generated through such research often forms the basic data needed to assess the impact of a new technology upon the environment. Large scale projects simulating commercial practices are normally implemented in cooperation with other agencies of the Federal or State Governments.

§ 520.2 Definition.

Control Agents mean biological material or chemicals which are intended to enhance the production efficiency of an agricultural crop or animal such as through elimination of a pest.

§ 520.3 Policy.

(a) It is ARS policy to comply with the provisions of NEPA and related laws and policies.

(b) Environmental documents should be concise, written in plain language, and address the issues pertinent to the decision being made.

(c) Environmental documents may be substituted or combined with other reports which serve to facilitate decisionmaking.

(d) Costs of analyses and environmental documents are to be planned for during the budgetary process for the plan, program, or project. Special provisions for financing NEPA process activities which are unanticipated and extraordinary may be made in the Office of the Administrator of ARS.

(e) ARS personnel will cooperate with other agencies, States, contractors, or other entities proposing to undertake activities involving the ARS to assure that NEPA considerations are addressed early in the planning process to avoid delays and conflicts as required by 40 CFR 1501.2.

(f) For some activities, project participants outside ARS may be required to provide data and documentation. When an applicant or contractor prepares an environmental assessment (EA) or a contractor prepares an environmental impact statement (EIS), the activities shall be carried out according to 40 CFR 1506.5.

(g) Environmental documents, decision notices, and records of decision must be made available for review by the public. There shall be an early and open process for determining the scope of issues to be addressed in the environmental analysis process (40 CFR 1501.7).

(h) The concepts of tiering to eliminate repetitive discussions applicable to EIS's (40 CFR Part 1502) are also applicable to EA's.

(i) ARS personnel may adopt an existing EA or EIS when a proposed action is substantially the same as the action for which the existing EA or EIS was prepared (40 CFR 1506.3 (b)).

(j) ARS personnel may incorporate by reference any existing documents in order to reduce the bulk of an EA or EIS (40 CFR 1502.21).
