§ 235.8 Inadmissibility on security and related grounds.

(a) *Report.* When an immigration officer or an immigration judge suspects that an arriving alien appears to be inadmissible under section 212(a)(3)(A) (other than clause (ii)), (B), or (C) of the Act, the immigration officer or immigration judge shall order the alien removed and report the action promptly to the district director who has administrative jurisdiction over the place where the alien has arrived or where the hearing is being held. The immigration officer shall, if possible, take a brief sworn question-and-answer statement from the alien, and the alien shall be notified by personal service of Form I-147, Notice of Temporary Inadmissibility, of the action taken and the right to submit a written statement and additional information for consideration by the Attorney General. The district director shall forward the report to the regional director for further action as provided in paragraph (b) of this section.

(b) *Action by regional director.* (1) In accordance with section 235(c)(2)(B) of the Act, the regional director may deny any further inquiry or hearing by an immigration judge and order the alien removed by personal service of Form I-148, Notice of Permanent Inadmissibility, or issue any other order

disposing of the case that the regional director considers appropriate.

(2) If the regional director concludes that the case does not meet the criteria contained in section 235(c)(2)(B) of the Act, the regional director may direct that:

(i) An immigration officer shall conduct a further examination of the alien, concerning the alien's admissibility; or,

(ii) The alien's case be referred to an immigration judge for a hearing, or for the continuation of any prior hearing.

(3) The regional director's decision shall be in writing and shall be signed by the regional director. Unless the written decision contains confidential information, the disclosure of which would be prejudicial to the public interest, safety, or security of the United States, the written decision shall be served on the alien. If the written decision contains such confidential information, the alien shall be served with a separate written order showing the disposition of the case, but with the confidential information deleted.

(4) The Service shall not execute a removal order under this section under circumstances that violate section 241(b)(3) of the Act or Article 3 of the Convention Against Torture. The provisions of part 208 of this chapter relating to consideration or review by an immigration judge, the Board of Immigration Appeals, or an asylum officer shall not apply.

(c) *Finality of decision.* The regional director's decision under this section is final when it is served upon the alien in accordance with paragraph (b)(3) of this section. There is no administrative appeal from the regional director's decision.

(d) *Hearing by immigration judge.* If the regional director directs that an alien subject to removal under this section be given a hearing or further hearing before an immigration judge, the hearing and all further proceedings in the matter shall be conducted in accordance with the provisions of section 240 of the Act and other applicable sections of the Act to the same extent as though the alien had been referred to an immigration judge by the examining immigration officer. In a case where the immigration judge ordered

the alien removed pursuant to paragraph (a) of this section, the Service shall refer the case back to the immigration judge and proceedings shall be automatically reopened upon receipt of the notice of referral. If confidential information, not previously considered in the matter, is presented supporting the inadmissibility of the alien under section 212(a)(3)(A) (other than clause (ii)), (B) or (C) of the Act, the disclosure of which, in the discretion of the immigration judge, may be prejudicial to the public interest, safety, or security, the immigration judge may again order the alien removed under the authority of section 235(c) of the Act and further action shall be taken as provided in this section.

(e) *Nonapplicability.* The provisions of this section shall apply only to arriving aliens, as defined in §1.1(q) of this chapter. Aliens present in the United States who have not been admitted or paroled may be subject to proceedings under Title V of the Act.

§235.9 Northern Marianas identification card.

During the two-year period that ended July 1, 1990, the Service issued Northern Marianas Identification Cards to aliens who acquired United States citizenship when the Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States entered into force on November 3, 1986. These cards remain valid as evidence of United States citizenship. Although the Service no longer issues these cards, a United States citizen to whom a card was issued may file Form I-777, Application for Issuance or Replacement of Northern Marianas Card, to obtain replacement of a lost, stolen, or mutilated Northern Marianas Identification Card.

[62 FR 10359, Mar. 6, 1997]

§235.10 U.S. Citizen Identification Card.

(a) *General.* Form I-197, U.S. Citizen Identification Card, is no longer issued by the Service but valid existing cards will continue to be acceptable docu-

mentation of U.S. citizenship. Possession of the identification card is not mandatory for any purpose. A U.S. Citizen Identification Card remains the property of the United States. Because the identification card is no longer issued, there are no provisions for replacement cards.

(b) *Surrender and voidance—(1) Institution of proceeding under section 240 or 342 of the Act.* A U.S. Citizen Identification Card must be surrendered provisionally to a Service office upon notification by the district director that a proceeding under section 240 or 342 of the Act is being instituted against the person to whom the card was issued. The card shall be returned to the person if the final order in the proceeding does not result in voiding the card under this paragraph. A U.S. Citizen Identification Card is automatically void if the person to whom it was issued is determined to be an alien in a proceeding conducted under section 240 of the Act, or if a certificate, document, or record relating to that person is canceled under section 342 of the Act.

(2) *Investigation of validity of identification card.* A U.S. Citizen Identification Card must be surrendered provisionally upon notification by a district director that the validity of the card is being investigated. The card shall be returned to the person who surrendered it if the investigation does not result in a determination adverse to his or her claim to be a United States citizen. When an investigation results in a tentative determination adverse to the applicant's claim to be a United States citizen, the applicant shall be notified by certified mail directed to his or her last known address. The notification shall inform the applicant of the basis for the determination and of the intention of the district director to declare the card void unless within 30 days the applicant objects and demands an opportunity to see and rebut the adverse evidence. Any rebuttal, explanation, or evidence presented by the applicant must be included in the record of proceeding. The determination whether the applicant is a United States citizen must be based on the entire record and the applicant shall be notified of the determination. If it is determined that the applicant is not a United States
