

National Labor Relations Board

§ 102.147

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the adversary adjudication or if special circumstances make the award sought unjust.

[46 FR 48087, Sept. 30, 1981, as amended at 51 FR 17733, May 15, 1986]

§ 102.145 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the attorney or agent fees under these rules may exceed \$75.00 per hour. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent or expert witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the following matters shall be considered:

(1) If the attorney, agent or expert witness is in practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent or expert witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the adversary adjudicative proceeding; and

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of an applicant may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

§ 102.146 Rulemaking on maximum rates for attorney or agent fees.

Any person may file with the Board a petition under § 102.124 of these rules

for rulemaking to increase the maximum rate for attorney or agent fees. The petition should specify the rate the petitioner believes should be established and explain fully why the higher rate is warranted by an increase in the cost of living or a special factor (such as the limited availability of qualified attorneys or agents for the proceedings involved).

§ 102.147 Contents of application; net worth exhibit; documentation of fees and expenses.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the adversary adjudication for which an award is sought. The application shall state the particulars in which the applicant has prevailed and identify the positions of the General Counsel in that proceeding that the applicant alleges were not substantially justified. Unless the applicant is an individual, the application shall also state the number, category, and work location of employees of the applicant and its affiliates and describe briefly the type and purpose of its organization or business.

(b) The application shall include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant
