

(e) FMCS shall assess a penalty charge, not to exceed 6 percent a year, on any portion of a debt that is delinquent for more than 90 days. This charge need not be calculated until the 91st day of delinquency, but shall accrue from the date that the debt became delinquent.

(f) When a debt is paid in partial or installment payments, amounts received by the agency shall be applied first to outstanding penalty and administrative cost charges, second to accrued interest, and third to outstanding principal.

(g) FMCS will waive the collection of interest on the debt or any portion of the debt which is paid within 30 days after the date on which interest began to accrue. FMCS may extend this 30-day period, on a case-by-case basis, if it reasonably determines that such action is appropriate. Also, FMCS may waive, in whole or in part, the collection of interest, penalties, and/or administrative costs assessed under this section under the criteria specified in part 103 of the Federal Claims Collection Standards (4 CFR part 103) relating to the compromise of claims (without regard to the amount of the debt), or if the agency determines that collection of these charges would be against equity and good conscience, or not in the best interests of the United States. Waiver under the first sentence of this paragraph (g) is mandatory. Under the second and third sentences, it may be exercised under the following circumstances:

(1) Waiver of interest pending consideration of a request for reconsideration, administrative review, or waiver of the underlying debt under a permissive statute, and

(2) Waiver of interest where FMCS has accepted an installment plan, there is no indication of fault or lack of good faith on the part of the debtor, and the amount of interest is large enough in relation to the size of the installments that the debtor can reasonably afford to pay, that the debt will never be repaid.

(h) Where a mandatory waiver or review statute applies, interest and related charges may not be assessed for those periods during which collection action must be suspended under

§104.2(c)(1) of the Federal Claims Collection Standards (4 CFR part 104).

#### § 1450.30 Exemptions.

(a) The provisions of 31 U.S.C. 3717 to not apply:

(1) To debts owed by any State or local government;

(2) To debts arising under contracts which were executed prior to, and were in effect on (i.e., were not completed as of), October 25, 1982;

(3) To debts where an applicable statute, regulation required by statute, loan agreement, or contract either prohibits such charges or explicitly fixes the charges that apply to the debts arising under the Social Security Act, the Internal Revenue Code of 1954, or the tariff laws of the United States.

(b) However, FMCS is authorized to assess interest and related charges on debts which are not subject to 31 U.S.C. 3717 to the extent authorized under the common law or other applicable statutory authority.

#### § 1450.31 Other sanctions.

The sanctions stated in this subpart are not intended to be exclusive. Other sanctions which may be imposed by the Director of FMCS include placement of the debtor's name on a list of debarred, suspended or ineligible contractors or grantees; conversion of method of payment under a grant from an advance payment method to a reimbursement method; or revocation of a letter of credit. Notice will be given by FMCS to the debtor regarding the imposition of such other sanctions.
