Subpart N—Minnesota

§ 1952.200 Description of the plan as initially approved.

(a) The Department of Labor and Industry is the State agency designated by the Governor to administer the plan throughout the State. The plan defines the covered occupational safety and health issues as defined by the Secretary of Labor in 29 CFR 1902.2(c)(1). The commissioner of the Department of Labor and Industry adopted Federal standards promulgated as of October 1972, effective in Minnesota, February 1973. The commissioner will continue to adopt Federal standards and will retain those Minnesota standards not covered by Federal standards. The plan contains a list of the Federal standards adopted and the State standards that will be retained. These standards will be enforced according to current legislative authority in Minnesota prior to the effective date of Minnesota's enabling legislation submitted as part of the plan.

(b)(1) The plan includes legislation enacted by the Minnesota legislature during its 1973 session. Under the legislation the Department of Labor and Industry will have full authority to enforce and administer laws respecting safety and health of employees in all workplaces of the State, including coverage of public employees, with the exception of maritime workers in the areas of exclusive Federal jurisdiction, employees of the United States, and employees whose working conditions are regulated by Federal agencies other than the U.S. Department of Labor under the provisions of section 4(b)(1)
