

§ 1952.291

29 CFR Ch. XVII (7-1-06 Edition)

programs. It requires employers of one or more employees (including those employed by the State and its political subdivisions) to furnish them employment and a place of employment which are free from recognized hazards that are causing or are likely to cause death or serious physical harm, and to comply with all occupational safety and health standards promulgated or issued by the agency. Moreover, all safety and health standards adopted by the United States Department of Labor shall be deemed Nevada Occupational Safety and Health standards. The Plan also directs employees to comply with all occupational safety and health standards and regulations that are applicable to their own actions and conduct.

(c) The Plan includes procedures for providing prompt and effective standards for the protection of employees against new and unforeseen hazards and for furnishing information to employees on hazards, precautions, symptoms, and emergency treatment; and procedures for the issuance of variances. It provides employer and employee representatives an opportunity to accompany inspectors and call attention to possible violations, before, during, and after inspections; protection of employees against discharge or discrimination in terms and conditions of employment; notice to employees or their representatives when no compliance action is taken upon complaints, including informal review; notice to employees of their protections and obligations; adequate safeguards to protect trade secrets; prompt notice to employers and employees of alleged violations of standards and abatement requirements; effective remedies against employers and the right to review alleged violations, abatement periods, and proposed penalties with opportunity for employee participation in the review proceedings; procedures for prompt restraint or elimination of imminent danger conditions, and procedures for inspection in response to complaints.

(d)(1) The Plan includes a legal opinion that it will meet the requirements of the Occupational Safety and Health Act of 1970, and is consistent with the Constitution and laws of the State of Nevada.

(2) A merit system of personnel administration will be used.

(3) The Plan provides a program of education, training, and consultation for employers and employees.

(4) The Plan is supplemented by the inclusion of implementing legislation and letters dated July 26, August 10, and November 5, 1973, and a telegram dated December 5, 1973.
