

agencies and Federal agencies in effecting collection by administrative offset. Generally, agencies should comply with requests from other agencies to initiate administrative offset to collect debts owed to the United States, unless the requesting agency has not complied with the applicable regulations or the request would otherwise be contrary to law or the best interests of the United States.

(b) Unless otherwise prohibited by law, a DOL agency may request that monies due and payable to a debtor by another DOL agency or a Federal agency outside the Department be administratively offset in order to collect debts owed the creditor DOL agency by the debtor. In requesting an administrative offset, the creditor DOL agency must provide the DOL agency or other Federal agency holding funds of the debtor with written certification stating

(1) That the debtor owes the creditor agency a debt (including the amount of debt); and

(2) That the creditor agency has complied with the applicable Federal Claims Collection Standards, including any hearing or review.

§ 20.28 DOL agency as organization holding funds of the debtor.

(a) Whenever a DOL agency is holding funds of a debtor from which administrative offset is sought by another DOL agency or other Federal agency, the DOL agency holding funds should not initiate the requested offset until it has been provided by the creditor organization with an appropriate written certification that the debtor owes a debt (including the amount) and that applicable provisions of the Federal Claims Collection Standards have been fully complied with.

(b) Moreover, the DOL agency holding funds of the debtor should determine whether collection by offset would be in the best interests of the United States; for example, if the debtor is a contractor for the DOL agency holding funds, whether administrative offset would impair the contractor's ability to perform under the terms of the contract. The creditor organization should be notified promptly of the determination.

§ 20.29 Notice of offset.

Prior to effecting an administrative offset, the agency holding funds of a debtor should advise the debtor of the impending offset. This notice should state that the debtor has been provided his/her rights under the Federal Claims Collection Standards, that a determination has been made that collection by administrative offset would be in the best interests of the United States, the amount of the offset, and the source of funds from which the offset will be made.

§ 20.30 Multiple debts.

When collecting multiple debts by administrative offset, agencies should apply the recovered amounts to those debts, in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 20.31 Administrative offset against amounts payable from Civil Service Retirement and Disability fund.

(a) Unless otherwise prohibited by law, agencies may request that moneys which are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in reasonable amounts in order to collect debts owed to the United States by the debtor. Such requests shall be made to the appropriate officials of the Office of Personnel Management in accordance with such regulations as may be prescribed by the Director of that Office.

(b) When making a request for administrative offset under paragraph (a) of this section, an agency shall include a written certification that:

(1) The debtor owes the United States a debt, including the amount of the debt;

(2) The requesting agency has complied with all applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) The requesting agency has complied with the requirements of the applicable provisions of the Federal Claims Collection Standards, including any required hearing or review.
