

#### § 2200.54

The Commission or Judge may allow a shorter time or a longer time, should the requesting party deny an extension. The response shall state, with respect to each item or category, that inspection and related activities will be permitted as requested, unless the request is objected to in whole or in part, in which event the reasons for objection shall be stated. If objection is made to part of an item or category, that part shall be specified. To obtain a ruling on an objection by the responding party, the requesting party shall file a motion with the Judge and shall annex thereto his request, together with the response and objections, if any.

#### § 2200.54 Requests for admissions.

(a) *Scope.* At any time after the filing of the first responsive pleading or motion that delays the filing of an answer, such as a motion to dismiss, any party may serve upon any other party written requests for admissions, for purposes of the pending action only, of the genuineness and authenticity of any document described in or attached to the requests, or of the truth of any specified matter of fact. Each matter of which an admission is requested shall be separately set forth. The number of requested admissions shall not exceed 25, including subparts, without an order of the Commission or Judge. The party seeking to serve more than 25 requested admissions, including subparts, shall have the burden of persuasion to establish that the complexity of the case or the number of citation items necessitates a greater number of requested admissions.

(b) *Response to requests.* Each matter is deemed admitted unless, within 30 days after service of the requests or within such shorter or longer time as the Commission or Judge may allow, the party to whom the requests are directed serves upon the requesting party a written answer specifically admitting or denying the matter involved in whole or in part, or asserting that it cannot be truthfully admitted or denied and setting forth in detail the reasons why this is so, or an objection, stating in detail the reasons therefor.

#### 29 CFR Ch. XX (7-1-06 Edition)

The response shall be made under oath or affirmation and signed by the party or his representative.

(c) *Effect of admission.* Any matter admitted under this section is conclusively established unless the Judge or Commission on motion permits withdrawal or modification of the admission. Withdrawal or modification may be permitted when the presentation of the merits of the case will be subserved thereby, and the party who obtained the admission fails to satisfy the Commission or Judge that the withdrawal or modification will prejudice him in presenting his case or defense on the merits.

#### § 2200.55 Interrogatories.

(a) *General.* At any time after the filing of the first responsive pleading or motion that delays the filing of an answer, such as a motion to dismiss, any party may serve interrogatories upon any other party. The number of interrogatories shall not exceed 25 questions, including subparts, without an order of the Commission or Judge. The party seeking to serve more than 25 questions, including subparts, shall have the burden of persuasion to establish that the complexity of the case or the number of citation items necessitates a greater number of interrogatories.

(b) *Answers.* All answers shall be made in good faith and as completely as the answering party's information will permit. The answering party is required to make reasonable inquiry and ascertain readily obtainable information. An answering party may not give lack of information or knowledge as an answer or as a reason for failure to answer, unless he states that he has made reasonable inquiry and that information known or readily obtainable by him is insufficient to enable him to answer the substance of the interrogatory.

(c) *Procedure.* Each interrogatory shall be answered separately and fully under oath or affirmation. If the interrogatory is objected to, the objection shall be stated in lieu of the answer. The answers are to be signed by the
