

fiscal year for Company *G*, which is October 1st—September 30th. Therefore, October 1, 2004—September 30, 2005 is the 2005 plan year. Company *G* decides to sell a portion of its business, Division *X*, to Company *H*. Company *G* signs an agreement with Company *H* under which Division *X* will be transferred to Company *H*, effective September 30, 2005. The change in control of Division *X* therefore occurs on September 30, 2005. Under the terms of the agreement, Company *G* agrees to continue covering all of the employees that formerly worked for Division *X* under its group health plan until Company *H* has established a new group health plan to cover these employees. Under the terms of the agreement, it is anticipated that Company *G* will not be required to cover the employees of Division *X* under its group health plan beyond the end of the 2006 plan year, which is the plan year following the plan year in which the change in control of Division *X* occurs.

(ii) *Conclusion.* In this *Example 7*, the administrator of Company *G*'s group health plan is not required to file the Form M-1 on March 1, 2006 for fiscal year 2005 because it is subject to the exception to the filing requirement in paragraph (c)(2)(ii)(B) of this section for an entity that would not constitute a MEWA but for the fact that it is created by a change in control of businesses that occurs for a purpose other than to avoid filing the Form M-1 and is temporary in nature. Under the exception, "temporary" means the MEWA does not extend beyond the end of the plan year following the plan year in which the change in control occurs. The administrator is not required to file the 2005 Form M-1 because it is anticipated that Company *G* will not be required to cover the employees of Division *X* under its group health plan beyond the end of the 2006 plan year, which is the plan year following the plan year in which the change in control of businesses occurred.

Example 8. (i) *Facts.* Company *I* maintains a group health plan that provides benefits for medical care for its employees (and their dependents) as well as certain independent contractors who are self-employed individuals. The plan is therefore a MEWA. The administrator of Company *I*'s group health plan uses calendar year data to report for purposes of the Form M-1. The administrator of Company *I*'s group health plan determines that the number of independent contractors covered under the group health plan as of the last day of calendar year 2004 is less than one percent of the total number of employees and former employees covered under the plan determined as of the last day of calendar year 2004.

(ii) *Conclusion.* In this *Example 8*, the administrator of Company *I*'s group health plan is not required to file a Form M-1 for calendar year 2004 (which is otherwise due by March 1, 2005) because it is subject to the ex-

ception to the filing requirement provided in paragraph (c)(2)(ii)(C) of this section for entities that cover a very small number of persons who are not employees or former employees of the plan sponsor.

§ 2520.101-3 Notice of blackout periods under individual account plans.

(a) *In general.* In accordance with section 101(i) of the Act, the administrator of an individual account plan, within the meaning of paragraph (d)(2) of this section, shall provide notice of any blackout period, within the meaning of paragraph (d)(1) of this section, to all participants and beneficiaries whose rights under the plan will be temporarily suspended, limited, or restricted by the blackout period (the "affected participants and beneficiaries") and to issuers of employer securities subject to such blackout period in accordance with this section.

(b) *Notice to participants and beneficiaries—(1) Content.* The notice required by paragraph (a) of this section shall be written in a manner calculated to be understood by the average plan participant and shall include—

(i) The reasons for the blackout period;

(ii) A description of the rights otherwise available to participants and beneficiaries under the plan that will be temporarily suspended, limited or restricted by the blackout period (*e.g.*, right to direct or diversify assets in individual accounts, right to obtain loans from the plan, right to obtain distributions from the plan), including identification of any investments subject to the blackout period;

(iii) The length of the blackout period by reference to:

(A) The expected beginning date and ending date of the blackout period; or

(B) The calendar week during which the blackout period is expected to begin and end, provided that during such weeks information as to whether the blackout period has begun or ended is readily available, without charge, to affected participants and beneficiaries, such as via a toll-free number or access to a specific web site, and the notice describes how to access the information;

(iv) In the case of investments affected, a statement that the participant or beneficiary should evaluate the appropriateness of their current investment decisions in light of their inability to direct or diversify assets in their accounts during the blackout period (a notice that includes the advisory statement contained in paragraph 4. of the model notice in paragraph (e)(2) of this section will satisfy this requirement);

(v) In any case in which the notice required by paragraph (a) of this section is not furnished at least 30 days in advance of the last date on which affected participants and beneficiaries could exercise affected rights immediately before the commencement of the blackout period, except for a notice furnished pursuant to paragraph (b)(2)(ii)(C) of this section:

(A) A statement that Federal law generally requires that notice be furnished to affected participants and beneficiaries at least 30 days in advance of the last date on which participants and beneficiaries could exercise the affected rights immediately before the commencement of a blackout period (a notice that includes the statement contained in paragraph 5. of the model notice in paragraph (e)(2) of this section will satisfy this requirement), and

(B) An explanation of the reasons why at least 30 days advance notice could not be furnished; and

(vi) The name, address and telephone number of the plan administrator or other contact responsible for answering questions about the blackout period.

(2) *Timing.* (i) The notice described in paragraph (a) of this section shall be furnished to all affected participants and beneficiaries at least 30 days, but not more than 60 days, in advance of the last date on which such participants and beneficiaries could exercise the affected rights immediately before the commencement of any blackout period.

(ii) The requirement to give at least 30 days advance notice contained in paragraph (b)(2)(i) of this section shall not apply in any case in which—

(A) A deferral of the blackout period in order to comply with paragraph (b)(2)(i) of this section would result in a violation of the requirements of sec-

tion 404(a)(1)(A) or (B) of the Act, and a fiduciary of the plan reasonably so determines in writing;

(B) The inability to provide the advance notice of a blackout period is due to events that were unforeseeable or circumstances beyond the reasonable control of the plan administrator, and a fiduciary of the plan reasonably so determines in writing; or

(C) The blackout period applies only to one or more participants or beneficiaries solely in connection with their becoming, or ceasing to be, participants or beneficiaries of the plan as a result of a merger, acquisition, divestiture, or similar transaction involving the plan or plan sponsor.

(iii) In any case in which paragraph (b)(2)(ii) of this section applies, the administrator shall furnish the notice described in paragraph (a) of this section to all affected participants and beneficiaries as soon as reasonably possible under the circumstances, unless such notice in advance of the termination of the blackout period is impracticable.

(iv) Determinations under paragraph (b)(2)(ii)(A) and (B) of this section must be dated and signed by the fiduciary.

(3) *Form and manner of furnishing notice.* The notice required by paragraph (a) of this section shall be in writing and furnished to affected participants and beneficiaries in any manner consistent with the requirements of § 2520.104b-1 of this chapter, including paragraph (c) of that section relating to the use of electronic media.

(4) *Changes in length of blackout period.* If, following the furnishing of a notice pursuant to this section, there is a change in the length of the blackout period (specified in such notice pursuant to paragraph (b)(1)(iii) of this section), the administrator shall furnish all affected participants and beneficiaries an updated notice explaining the reasons for the change and identifying all material changes in the information contained in the prior notice. Such notice shall be furnished to all affected participants and beneficiaries as soon as reasonably possible, unless such notice in advance of the termination of the blackout period is impracticable.

(c) *Notice to issuer of employer securities.* (1) The notice required by paragraph (a) of this section shall be furnished to the issuer of any employer securities held by the plan and subject to the blackout period. Such notice shall contain the information described in paragraph (b)(1)(i), (ii), (iii) and (vi) of this section and shall be furnished in accordance with the time frames prescribed in paragraph (b)(2) of this section. In the event of a change in the length of the blackout period specified in such notice, the plan administrator shall furnish an updated notice to the issuer in accordance with the requirements of paragraph (b)(4) of this section.

(2) For purposes of this section, notice to the agent for service of legal process for the issuer shall constitute notice to the issuer, unless the issuer has provided the plan administrator with the name of another person for service of notice, in which case the plan administrator shall furnish notice to such person. Such notice shall be in writing, except that the notice may be in electronic or other form to the extent the person to whom notice must be furnished consents to receive the notice in such form.

(3) If the issuer designates the plan administrator as the person for service of notice pursuant to paragraph (c)(2) of this section, the issuer shall be deemed to have been furnished notice on the same date as notice is furnished to affected participants and beneficiaries pursuant to paragraph (b) of this section.

(C) Which occurs by reason of a qualified domestic relations order or by reason of a pending determination (by the plan administrator, by a court of competent jurisdiction or otherwise) whether a domestic relations order filed (or reasonably anticipated to be filed) with the plan is a qualified order within the meaning of section 206(d)(3)(B)(i) of the Act; or

(e) *Model notice—(1) General.* The model notice set forth in paragraph (e)(2) of this section is intended to assist plan administrators in discharging their notice obligations under this section. However, a notice that uses the statements provided in paragraphs 4. and 5.(A) of the model notice will be deemed to satisfy the notice content requirements of paragraph (b)(1)(iv) and (b)(1)(v)(A), respectively, of this section. With regard to all other information required by paragraph (b)(1) of this section, compliance with the notice content requirements will depend on the facts and circumstances pertaining to the particular blackout period and plan.
